To the  
sweetest, dearest,  
teacher I have ever  
had, all my love. Please  
take care of my brother and  
sisters in years to come. Thank you  
for all the help you have given me  
academic and other wise. I hope to keep  
in touch with you at least until you become  
(finally) an old lady. I'm afraid the grammar and  
spelling in this little note is all wrong but  
my love for you isn't. Please take care and I'll see  
you this summer before I go to your Alma Mater O.C.A.  
Love Always,  
Dimitri

me, I don't know  
how I can express  
my feelings for you  
on paper. You have  
been such a constant  
source of comfort for me -  
what am I going to do without  
you?

There is no one I admire more  
than you. You are terminally loving,  
caring, generous (to a fault) and  
supper-time. You have shared so  
much of yourself with me that I feel  
very privileged.

Through you I feel I have grown  
tremendously (although no one else may  
have noticed). ~~I~~ I have become  
more confident and my values are more  
a part of me now. You have made me  
realize that I'm not so bad after all and I  
have a lot to look forward to. Just seeing  
you makes my day so much brighter.  
Hopefully as a result of your  
influence I will become more  
like you, which is a goal I  
intend to keep.

Please stay well  
and happy and  
will come to see you!  
Forever

dear Miss Rollins -

You are one of the best  
teachers in the whole  
world. You are a very dear  
person to me and you really  
mean a lot to me. I'm  
really going to miss you  
a lot when I leave here but  
you can be sure I'll come  
back and visit you. Thank you  
for all your help and understanding  
it has meant a lot to me just  
like you do. Please take care of  
yourself and do not over do.  
I love you with all my heart.

Love -

## The Tide . . .

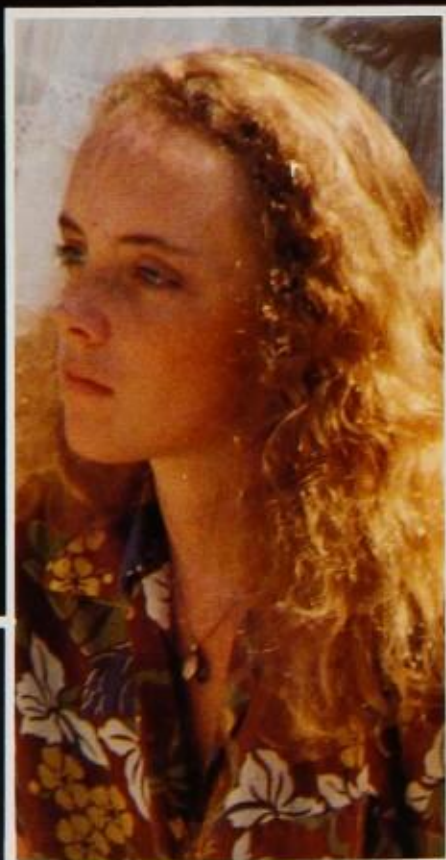

Neither tide nor time waits for man. Beyond our control, they shape our lives though we never truly understand their natures. The tide is a pull, a push, a movement of an ocean insistent upon change. Time as we know it is a clock, a calendar, a symbol designed to explain eternity. As we move through these units of time we too, leave many things behind. These memories, mistakes, fears and promises are like shells on the shore.

Man and tide — both on a never ending journey, both in an endless fight against time.

Stephanie Straubinger

### THE TIDE RISES, THE TIDE FALLS

The tide rises, the tide falls,  
The twilight darkens, the curlew calls;  
Along the sea-sands damp and brown  
The traveller hastens toward the town,  
And the tide rises, the tide falls.

Darkness settles on roofs and walls,  
But the sea, the sea in darkness calls;  
The little waves, with their soft, white hands,  
Efface the footprints in the sands,  
And the tide rises, the tide falls.

The morning breaks; the steeds in their stalls  
Stamp and neigh, as the hostler calls;  
The day returns, but nevermore  
Returns the traveller to the shore  
And the tide rises, the tide falls.

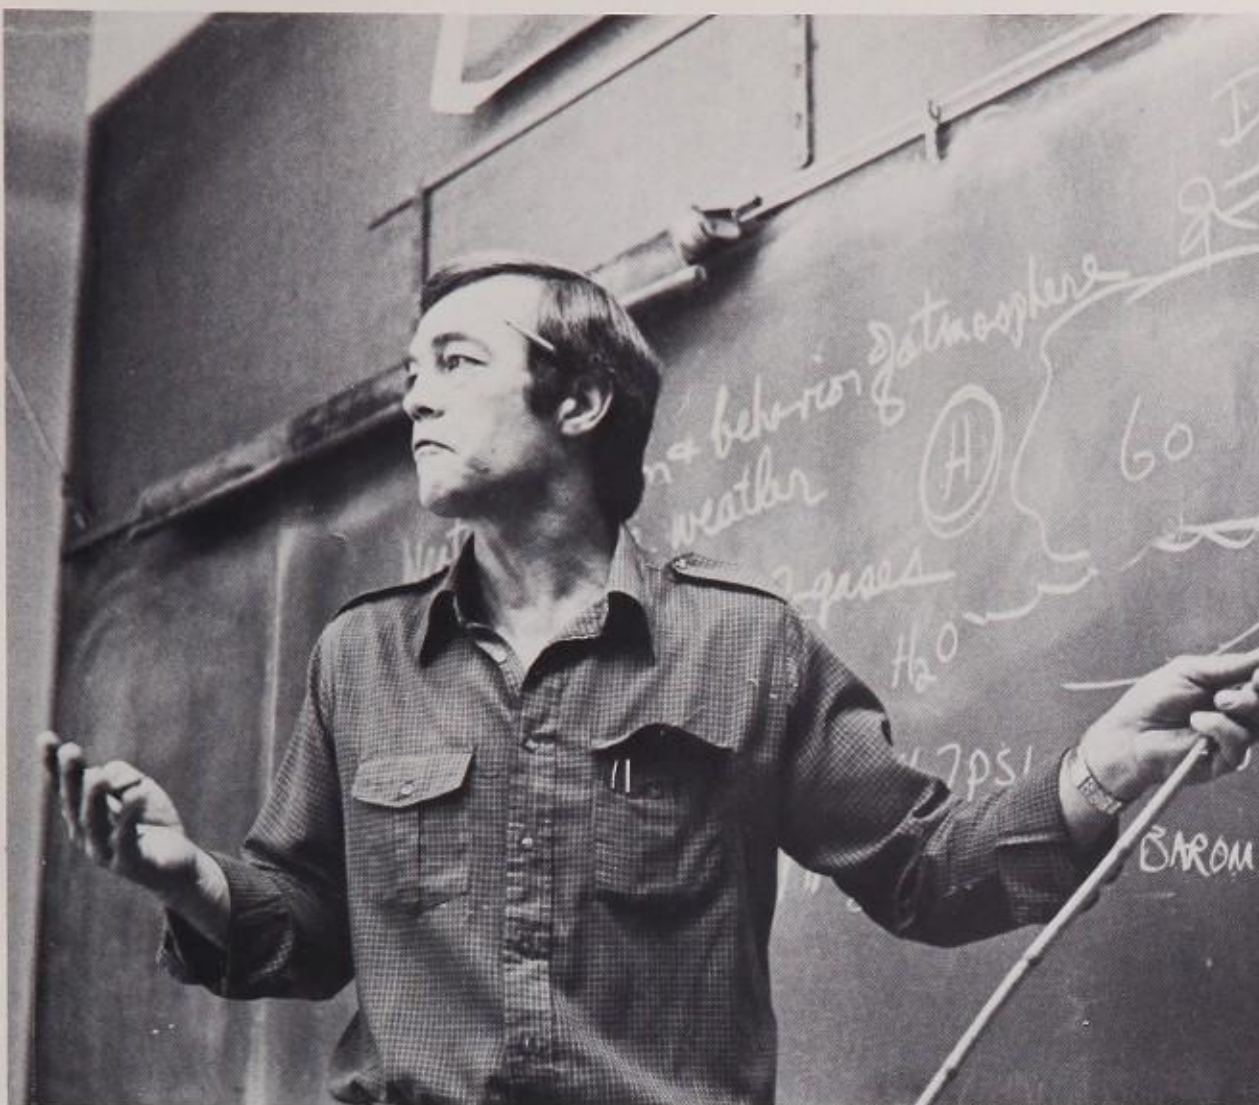

Henry Wadsworth Longfellow

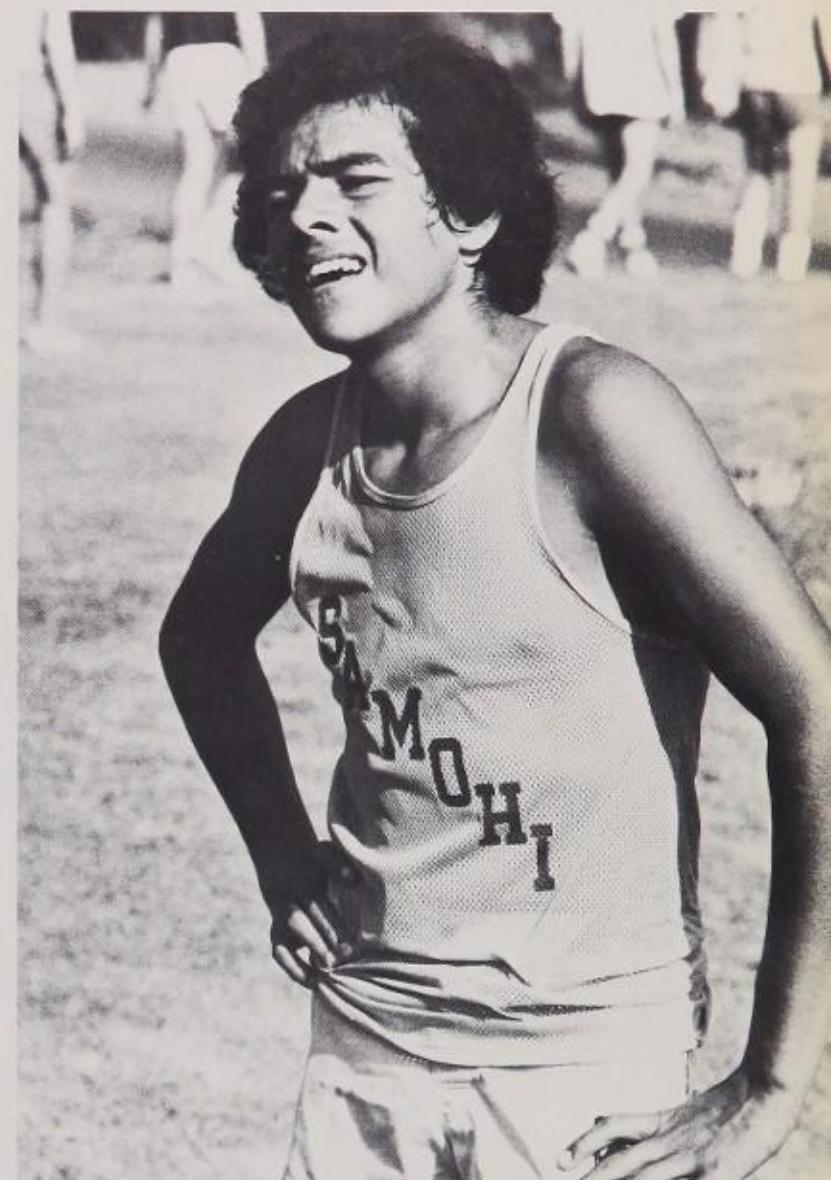

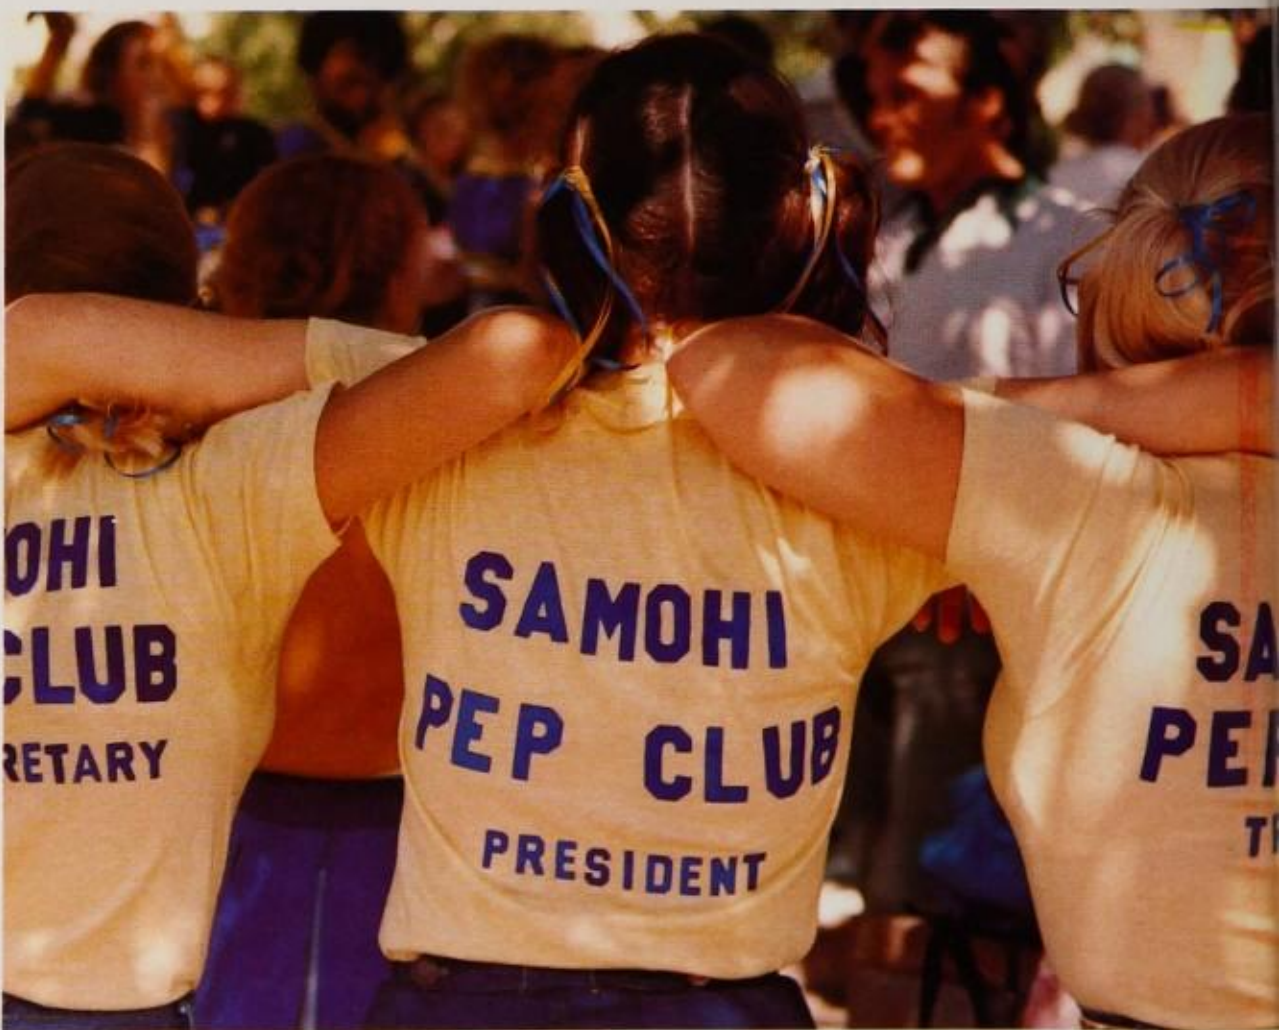

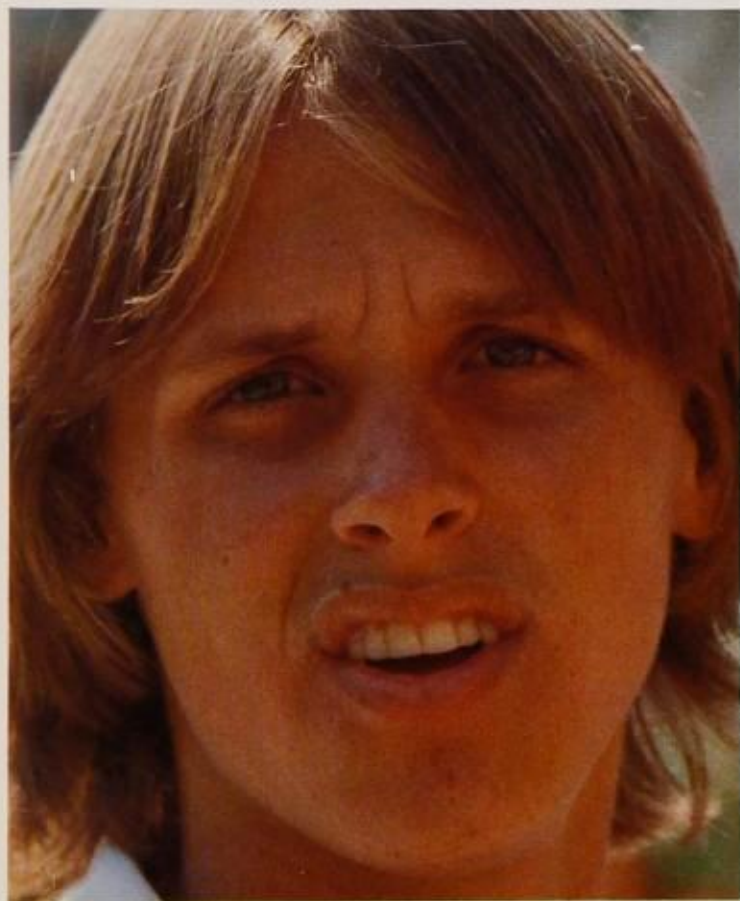

Oh, the road of experience, we're trying to find our own way — sometimes we wish that we could fly away — And we're looking for space and to find out who we are, and we're looking to know and understand — It's a sweet, sweet dream, sometimes we're almost there, sometimes we fly like eagles, and sometimes we're deep in despair . . .

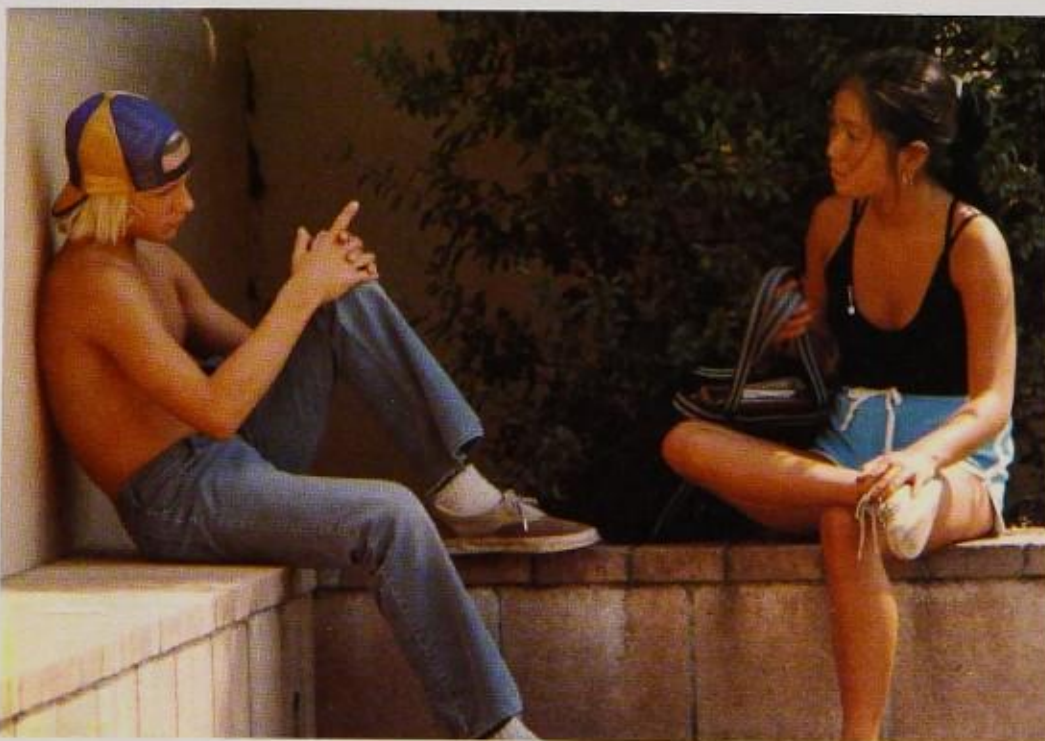

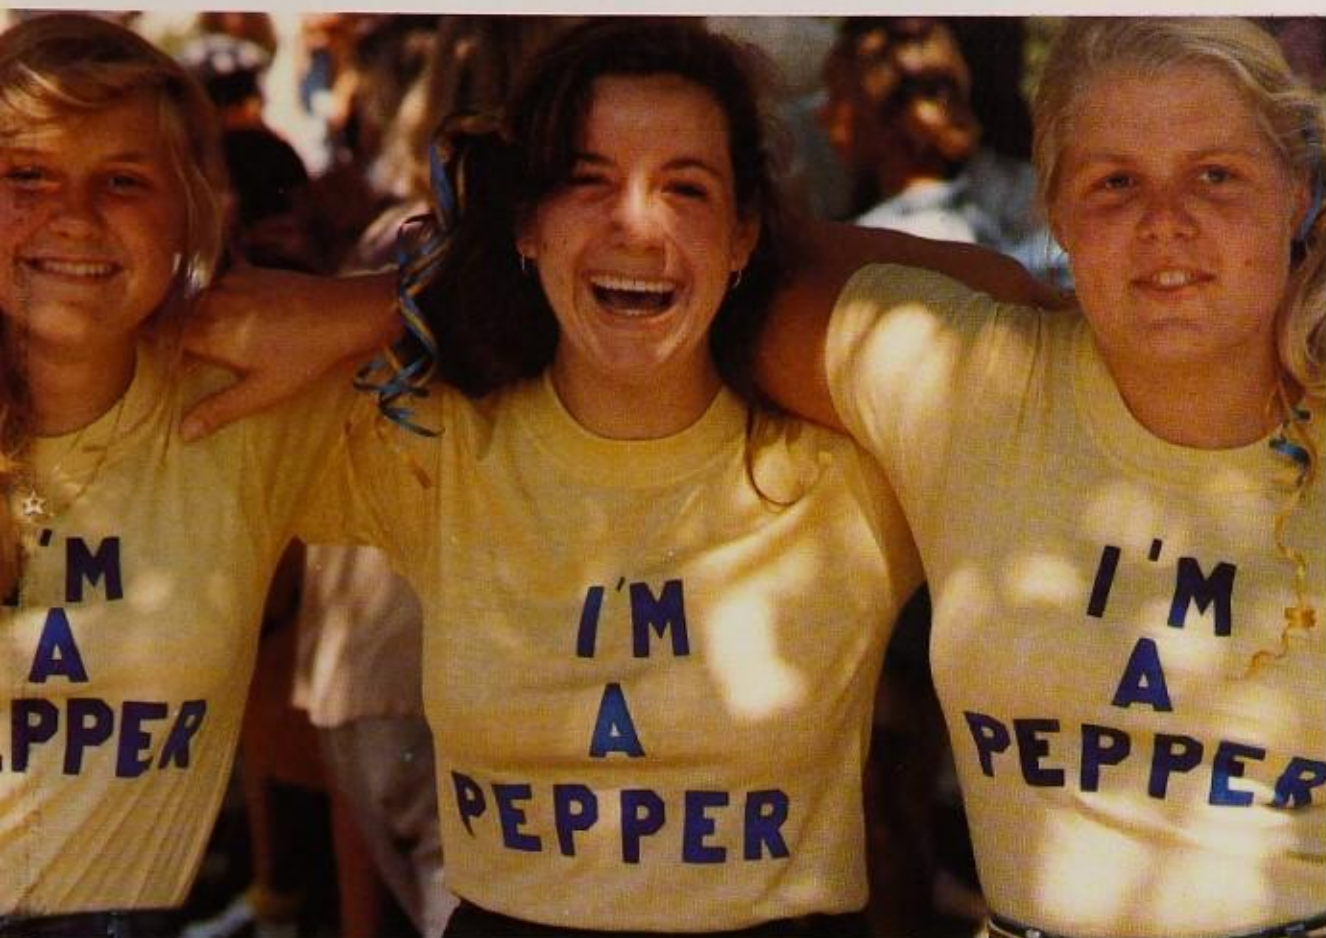

As the tides are ever changing, so is Samohi and this year is no exception. With all the cutbacks, life here at Samo is a little different. Some say we've declined, some say there is no difference, but in fact with all the changes, things are even better than before. All summer long we heard rumors of the monstrous cutbacks caused by Proposition 13 and how some of us might not graduate, or get to be involved in athletics or get to take that art class we've waited two years for. When we arrived in September we did find cutbacks, but they weren't as drastic as expected. What we also found was a student body and administration to overcome the extra obstacles. This year, more than ever, students and faculty are working side by side to make this school something we can be proud of.

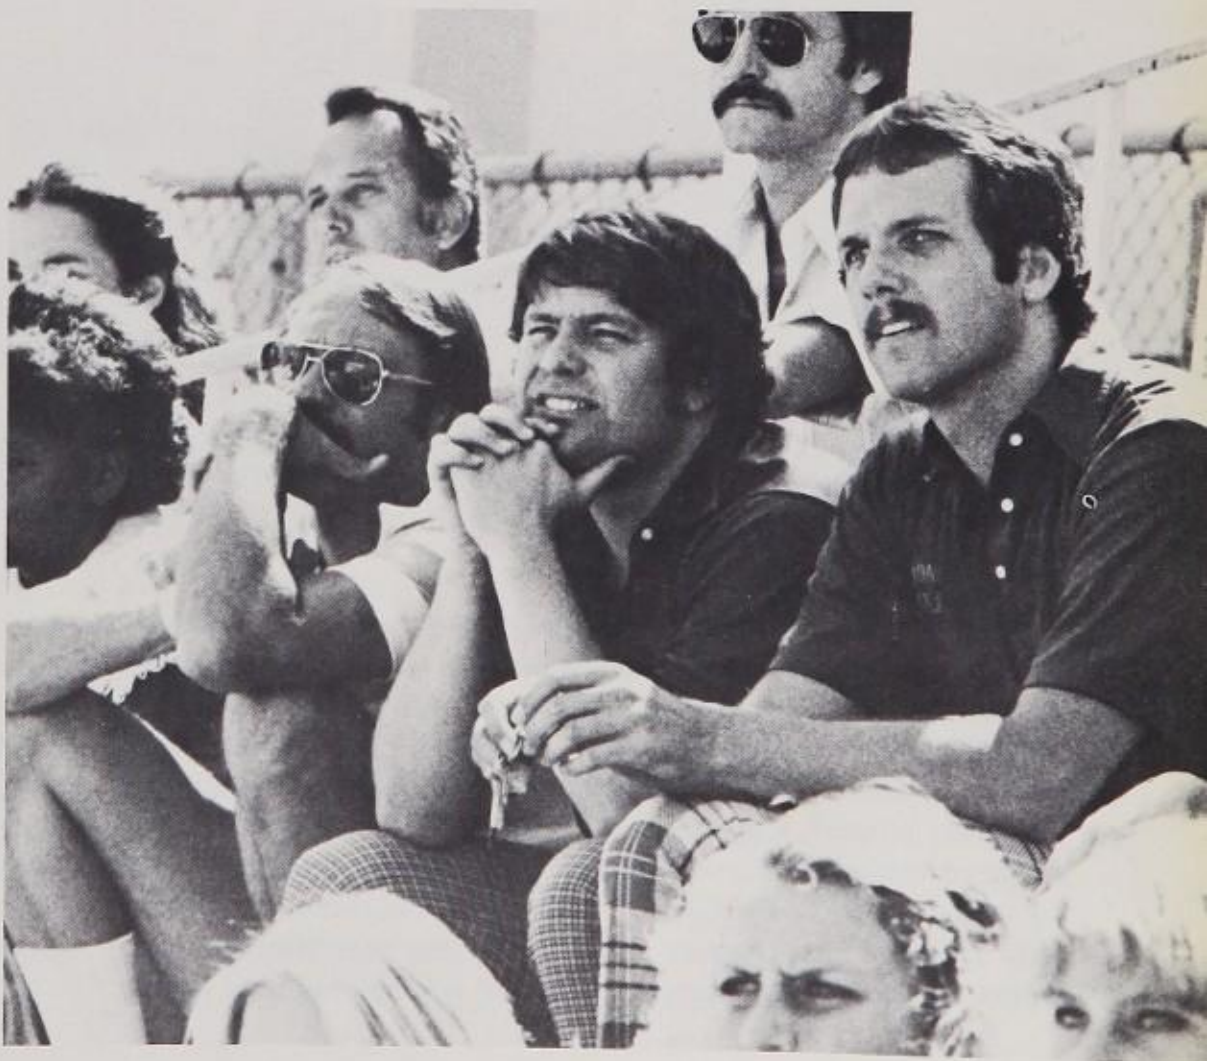

There is a tide in the affairs of men  
Which, taken at the flood, leads on to fortune;  
Omitted, all the voyage of their life  
Is bound in shallows and in miseries.  
On such a full sea are we now afloat,  
And we must take the current when it serves  
Or lose our ventures.

(Brutus, *Julius Caesar*, Act IV)

# Homecoming

1978 Homecoming Queen Joy Mueller

Princess Lea De Meo

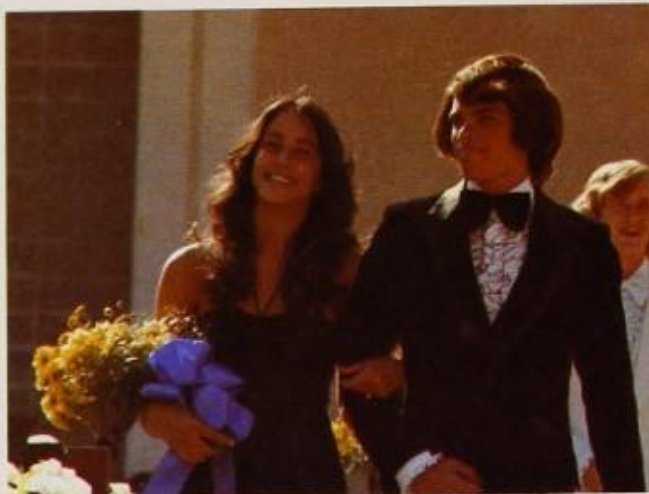

Princess Kim Wilson

Princess Dana Schlobohm

Princess Angela Gozzi

Princess Bonnie Kanner

Princess Shelley Short

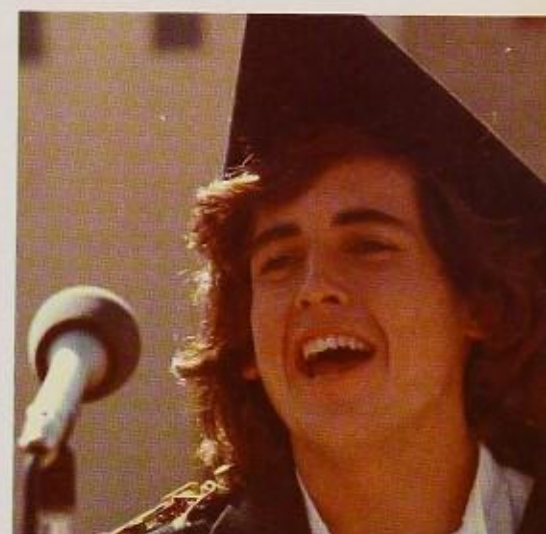

This year, Samohi students and faculty were promised an extra special Homecoming, and that's what they got. The Leadership Class, Pep Club and ASB got together and planned an activity-packed week. Festivities began on Tuesday with everyone dressing up for Halloween. Booths were set up by students and clubs providing artwork, games and Halloween goodies before judging of the costumes. Wednesday was the final election for queen with a band at lunch in the Greek Theatre. On Thursday, the Junior class sponsored an obstacle course providing entertainment and laughs for spectators. Thursday night, of course, was float build-

ing. Excitement and spirit was sky-high as students feverishly worked on their floats. Club and class floats included Senior float, Junior class float, Young Bureaucrats, Black Student Union and Pep Club with the Sophomores traditionally creating a bridge for the Queen. Tired after the long, sleepless night, students dragged themselves to a waffle, sausage and juice breakfast described as "gastronomical" Friday morning.

As Mr. Finch and his leadership class advertised, "It was a great success and we thank everyone for their support."

# 1978...

Any notions of education on Friday were tossed aside as everyone waited for the noon pep rally and announcement of the queen. As princesses Joy, Dana, Lea, Bonnie, Angela, Shelley and Kim stood waiting for the big moment, students and faculty stopped yawning and almost held their breath. After Queen Joy was crowned, everyone tried to control the rising tide of excitement. The parade this year began at Samo, and everyone travelled together to Corsair Field. The game against Palos Verdes had students and faculty hoping for a win. The team battled Palos Verdes and the loss was a disappointment but not a tragedy as spirit was still high. Students then travelled to the girls' gym for a semi-formal dance, and at midnight, tired but happy, students called it a night, a night they would remember for a long, long time.

Odin's ever watchful eye  
 Saw the work and love we shared.  
 Nothing in our lives so far  
 With this could we compare.  
 We're all a little different  
 But our spirits were flying high.  
 'Cause when it came down to our hearts,  
 It was all for Samohi!

Bobbie Schobohm

# ORGANIZATIONS

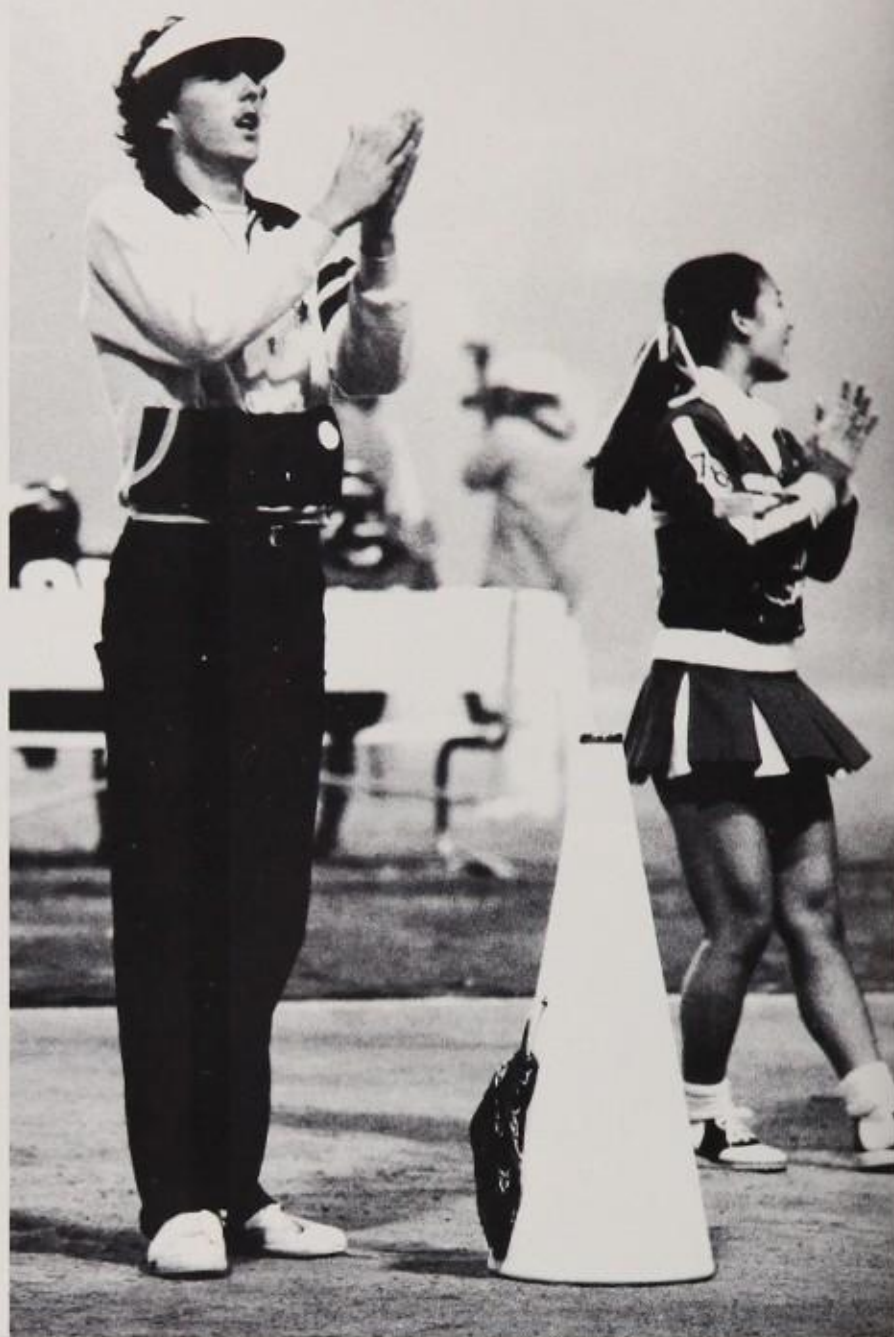

# Boys' Yell Leaders

Many years have passed since the boys have had their own yell group. Damon Moore brought back that tradition. With fellow lunatics Gardner

Graber, Eric Thomas and Joel Mejia the Boys' Yell Squad became an instant success, especially at homecoming. Stashed in their arsenal of disguises were one nun's habit, one admiral's uniform and one combination sailor and rice farmer costume.

Clockwise: Gardener Graber, Joel Mejia, Damon Moore, Eric Thomas, (not shown) Tim Jones

# Girls' Varsity Yell

Diane . . . Kathy . . . Doris . . . Lori . . .  
 Kim . . . Winnie . . . Helen . . . Colleen.  
 No, this is not the Mickey Mouse Club roll  
 call. These names belong to the fantastic, the  
 stupendous, the one and only Girls' Varsity  
 Yell. They went to Samo's football games,  
 cheering with high spirits, even when the  
 team was down. At the basketball games,  
 you probably heard something like, "R-E, R-  
 E-B, R-E-B-O-U-N-D, . . . REBOUND!"  
 The Girls' Varsity Yell has done a great job  
 supporting Samo's athletic teams and pro-  
 moting school spirit. Pep rallies ended with a  
 bang as the Varsity Yell squad constructed a  
 human pyramid. What will they do for an  
 encore?

(l. to r.) Diane Castro, Colleen Pearson, Winnie Williams, Helen Herron, Kim Smith, Doris Kaichi, Kathy Blizzard, Lori Buckman

# J.V. Yell

Can the 78-79 J.V. Yell leaders overthrow the Varsity football team, or will Shannon fumble with two minutes left to go in the pep rally? What the J.V.'s lacked in football ability they made up in spirit. Even Brooke, broken leg and all, managed to turn cartwheels for the audience.

# Sergeanettes

The drill team, directed by Michael Ann Foley and led by the captains performed in pep rallies and football halftimes. Their shows varied from a take-off of Looney Tunes to a sophisticated competition show. The competition show, greatly appreciated by the homecoming audience won many honors for the drill team. Among these awards they achieved a sweepstakes trophy at Chaffey and a second place award at the West Covina Halftime tournament. This year's Samohi Sergeantette Drill Team proved to be a valuable asset to the school.

# Captains

The 1978-79 Sergeantette Captains, Wendy, Georgia, Donna, and Karen, led the drill team to a very successful year. The captains were truly outstanding performers, dancing to a variety of music. Not only did they choreograph their own routines, but they also arranged the drill team half-times and pep rally performances. The captains displayed their diverse talents by directing the drill team while supporting Samohi's spirit.

# Pep Club, Mascot Keep Samo . . . High!

Who was that masked Viking seen cheering at football games? Leadership will never divulge that secret. The Viking mascot filled the gap left by Victor and Vicky Viking. While he (or she) roamed the track, Samo "peppers" yelled from the stands. The Pep Club was very active, as always. They built their own float for Homecoming entitled, "Odin's Run."

# Samohi's Marching Band Ends on a High Note

Samohi's 1978-79 Viking Marching Band is a major source of musical entertainment for the school. The band provides exhilarating music at football and basketball games, pep rallies, music festivals, stairway to the stars, the spring concert and many parades.

The band also competed in a total of five tournaments where they placed exceptionally well. In the Antelope Valley Halftime and the Los Altos Halftime Tournaments, the band won fourth place. In the West Covina Halftime Tournament they improved their performance to win second place. The band continued to excel and won the highly acclaimed sweepstakes award for both the Chafey Halftime and the Westminster Halftime Tournaments. To top it all off, the Viking Band was awarded the 1978-79 Mayor's Trophy for the best music.

The band also made a special appearance at Magic Mountain and was invited to perform at the 1979 Pro Bowl Football Game at the Colliseum.

## Young Bureaucrats, Of course

YBOC is dedicated. Their mission, should they decide to accept it, is to cut through bureaucratic red tape. They have done a great job this year, publishing the real truth and biased opinions in their renowned *Intermittent Propagandist*. Their other contributions to Samo include their homecoming float (which no one could figure out) and weed-pulling at Green-up Day.

Delians (also known as the candy pushers) made their rounds at Samo selling 50¢ chocolate bars. Of course they were a rip-off, but they were hard to resist. Those that sold a box received a discount on Disneyland tickets. The Delian Board worked hard so that the members could go to Disneyland in February. After studying hard to get good grades, the Delians deserved a break.

## Mecha

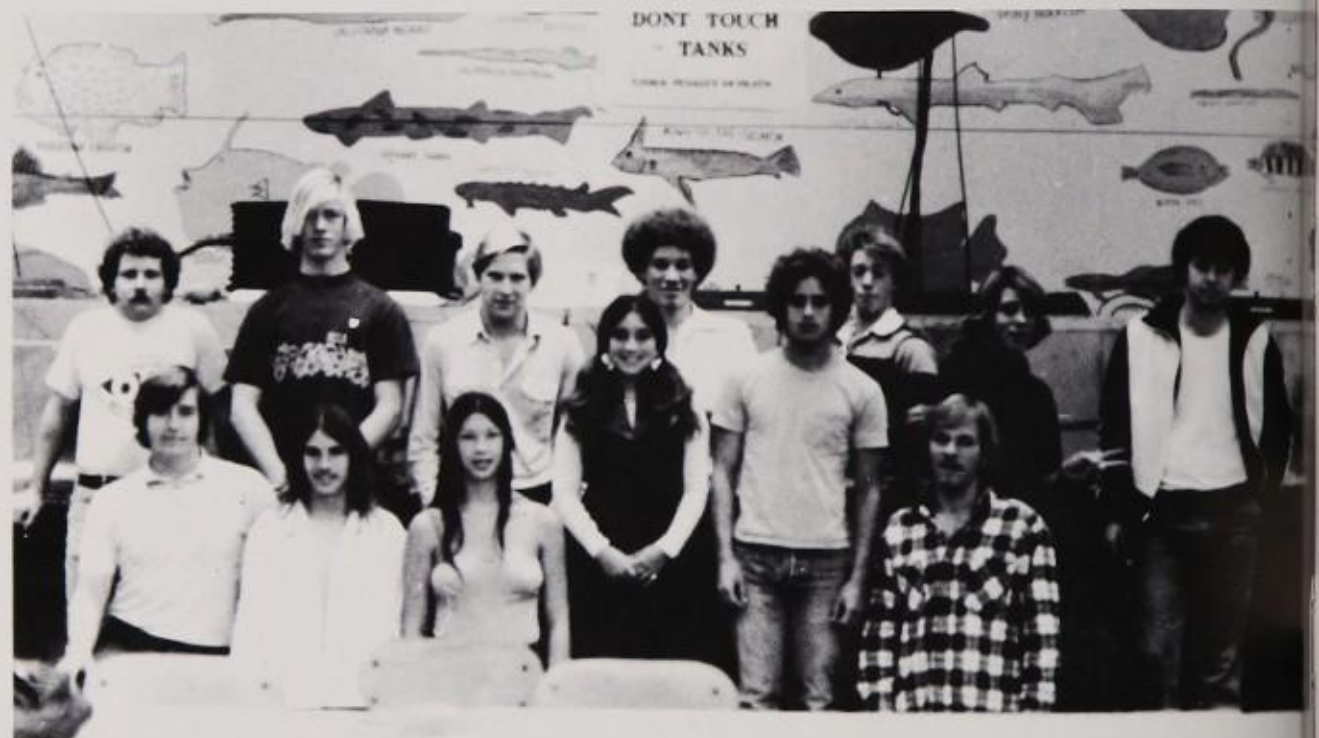

MECHA is a group of minority students working to promote the Mexican-American culture, politics, and education. The membership of MECHA has grown tremendously over the years. This year they were very active in Samo activities, selling Mexican food in the quad and pulling weeds on Green-up Day.

## Marine Biology

Front Row — Cameron Myhrvold, George Vouriotis, Stacy Kim, Lucy Provus, Billy Lorber, Pres. Chris Holscher, Back Row — Teacher: Bob Perry, Vice Pres. Eric Baffert, Mark Beede, Milo Vaughs, Damon Duval, David Kaufman, Bruce Lundy

Despite recent cutbacks, Marine Biology enthusiasts were able to board the buses bound for the tide pools. Projects and experiments kept the members busy in the labs and on the beaches, discovering unusual sea life. (One member reports seeing mermaids en route to Catalina.)

## Chess Club

Samo's Chess Club has grown tremendously. They met every-day this year in H-212 at lunch. Every year the club holds at least two chess tournaments for which substantial prizes are awarded. The Samohi Chess Championship is the last of these tournaments. The club provides an excellent opportunity to learn or improve in this challenging game. The Chess Team is an important part of the club, representing Samohi at tournaments around the country. Last year, the team placed third in the Southern California Scholastic Team Championships. The team is coached by Mrs. Ruth Herstein, the fourth best women's chess player in the U.S. The other sponsor of the club is Mr. Hutchinson. Good luck to Samo's future Chess Club and Team.

## Science Fiction Club

The Sci-Fi membership does not consist of little green men, but students interested in close encounters of any kind. The members met during lunch to discuss the possibilities of extraterrestrial beings. They also attended many film festivals and tried their own skills at producing Sci-Fi stories.

## Dungeons and Dragons

This was the year of the dragon for the members of the second annual Dungeons and Dragons Society. The club is named after a fairly new game that is easy to learn. So if Monopoly doesn't sound exciting anymore, why not try a strategic game of Dungeons and Dragons?

Kassin Vosrath, Hans Solbrig, Dean Sutherland, Eric Griswold, Susan Perry, Bill Bluell, Richard Connes

## Ski Club

The Ski Club, hampered by the difficulty in finding a sponsor, had no difficulty in finding the snow. 1979 was a great year for skiing, so to get members ready for the slopes, the club showed many ski movies and gave tips on ski maintenance. The Ski Club held bake sales and participated in Green-up Day.

## German Club

Once again the German Club enjoyed a successful year, being one of the most active clubs on campus. They took field trips to the German Oktoberfest and to Alpine Village. The club's wundervoll bake sales satisfied many Samo students, as did their performance in International Day.

## Latin Club

In order to translate such phrases as, "Veni, vidi, vici," and "E Pluribus Unum," every school needs a Latin Club, Samo's Latin Club met to discuss the works of Ovid, as well as planning activities. The most famous Roman festival is the Saturnalia, fest of Saturn, when mock king and queen reign for a day. The Saturnalia is the closest thing to a toga party at Samo. So remember the motto of the Latin Club, "Amici Romae sunt Amici vestri."

## French Club

Why read about French culture when you can experience it instead? Le Cercle Francais did just that. The members got together to "Parler en francais." during lunch. They also participated in Green-up Day, swearing in French as they pulled out uncooperative weeds. English was like a second language to this group.

# Samo gains New Clubs

## Persian Club

The newly formed Persian club boasted over 40 members. The purpose of the club was to promote unity among the Perisians. The members had gotten together several times to enjoy the night life to party. They were also successful in fighting off starving ants at an Ocean Park picnic, yet they encouraged starving Samo students to partake in eating of their baked goods in the quad. The Perisian club enjoyed an active year.

1st Row — Ahmad Rakravan (President), Moigan, Leila, Mehdi, Namvar, Mohamad, Vally, 2nd Row — Afsaneh, Shole, Soheil, Mehrdad, Shahriar, Behzad, Jack, Amir, Farid, Saeid, 3rd Row — Guita, Shideh, Mojghan, Janty, Katherin, Anita, Roya, Hamideh, 4th Row — Masoud, Susan Rahba (Sponsor), Homayoon, Bahram, Anna, Jakline, Shiva, Guilda, Abe, Mehrdad, Hamid.

## Chinese Club

The Chinese Club was also new on campus this year. At each meeting the club held discussions to answer questions its members had. The Chinese Club got involved in a few activities, including the Cultural Faire. They also planned to have a picnic, and sponsor a movie to show in a local church.

1st Row — Theresia Liu (Sec.), Maggie Ueng (V.P.), Irene Lin, Sai Shan Cheung, Joan Luu, Susan Yeu, Yin Hsieh, 2nd Row — Patty Ho, Po Shan Chaung, Sherie Chou, Jenny Wong, Annina Lin, Jia-Psyk Kuo, Hui-Fang Lee (Treas.), 3rd Row — Ray Liu, Daoshing Ni, Chris Tong, Melvin Yhaw, Danny Lew, Adams Lin, 4th Row — Jason Ho, Guan Chyun Kuo, Tom Wu, Chun Tsi, Jim Yen, Anthony Chen (Pres.)

## Sportsmans Club

The Sportsman Club met to discuss the wide world of sports. Every sport from Archery to Water pistols was covered. The club's members told stories of their experiences in their particular sport, and looked forward to other adventures such as grizzly bear hunting.

1st Row — Leonard Unger, Fernando Martinez, Crasaneio Llamas, Alfonso Del Rio, Marco Del Rio, 2nd Row — Pat Dahl (Treas.), Eric Peterson (Sec.), Mike Justice (Pres.), Bart Badgwell (V.P.)

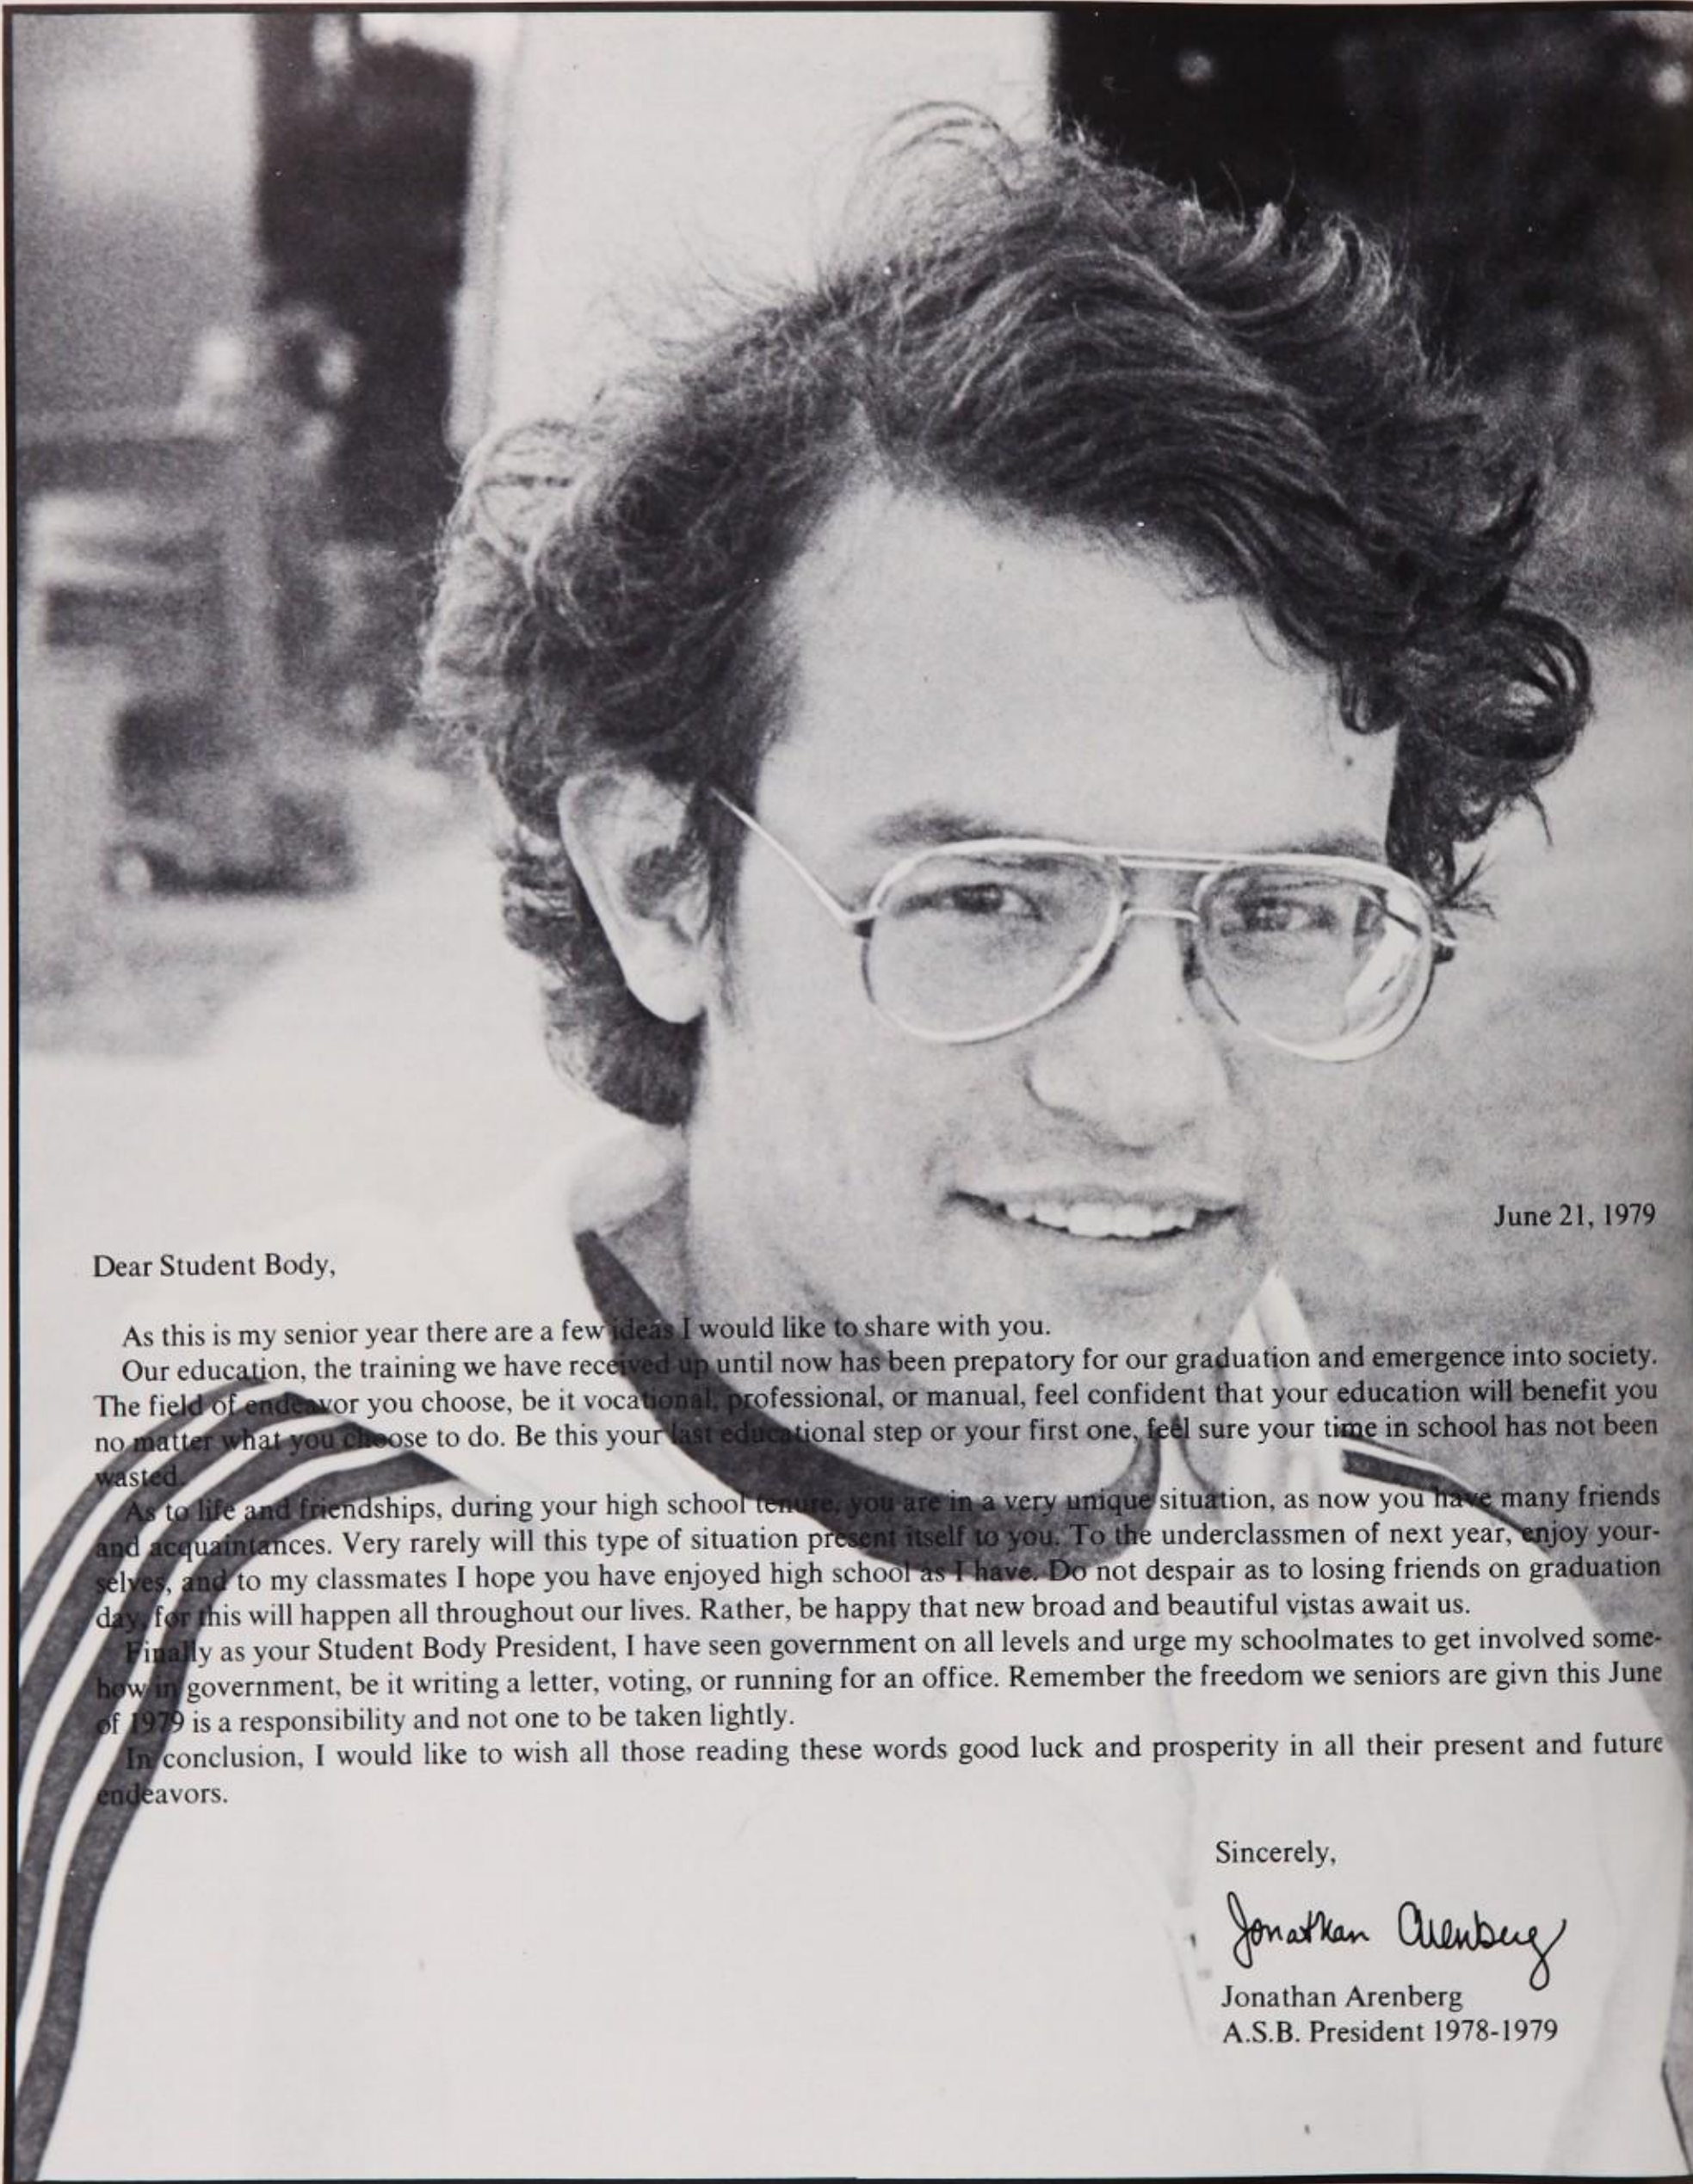

## Club Hispanico

Club Hispanico wasted no time this year. Members worked hard on green-up Day fighting killer weeds. But all work and no play is tough on anyone, so for an evening of entertainment, they saw the musical "Zoot Suit." Planning for college was just one of the many topics discussed in a typical meeting. When May rolled around, Club Hispanico enthusiastically prepared for their Cinco de Mayo folk dance. Another great year gone by for Club Hispanico.

June 21, 1979

Dear Student Body,

As this is my senior year there are a few ideas I would like to share with you.

Our education, the training we have received up until now has been preparatory for our graduation and emergence into society. The field of endeavor you choose, be it vocational, professional, or manual, feel confident that your education will benefit you no matter what you choose to do. Be this your last educational step or your first one, feel sure your time in school has not been wasted.

As to life and friendships, during your high school tenure, you are in a very unique situation, as now you have many friends and acquaintances. Very rarely will this type of situation present itself to you. To the underclassmen of next year, enjoy yourselves, and to my classmates I hope you have enjoyed high school as I have. Do not despair as to losing friends on graduation day, for this will happen all throughout our lives. Rather, be happy that new broad and beautiful vistas await us.

Finally as your Student Body President, I have seen government on all levels and urge my schoolmates to get involved somehow in government, be it writing a letter, voting, or running for an office. Remember the freedom we seniors are given this June of 1979 is a responsibility and not one to be taken lightly.

In conclusion, I would like to wish all those reading these words good luck and prosperity in all their present and future endeavors.

Sincerely,

*Jonathan Arenberg*

## A.S.B. Officers

The A.S.B. officers, led by Jon Arenberg worked to bring us many activities and programs this year. Donna Sanders, secretary of this year's cabinet, kept records of all the decisions made by this body. Mike Sidley, the treasurer, sought to make money by purchasing and running a popcorn machine and selling the corn at lunch. This has proved quite tasty as well as profitable. The Vice President position was vacated early in the Spring semester. The position was filled by Mandy Kami-bayashi. She helped to reorganize the committee system and rewrite the bylaws of Cabinet. Maggie Morgan and Courtney Garfield worked on many projects outside of their jobs of overseeing the reps.

## HOUSE OF REPRESENTATIVES:

This year has been one of change for our reps at large. In March, the constitution was changed eliminating the members of Cabinet. Their job of spreading the word of Cabinet news and activities will be done by representatives in all 1st period classes.

A.S.B. has sponsored many new events, including a  
 highly successful Green Up Day, a donkey basketball  
 game, and many other lunch time activities. They have  
 also carried through some of Samohi's traditional  
 events, such as the Cultural Fairs, Cabaret Nite, a talent  
 show, dances, and convention.

Keep in touch.

With much Love

# Fall Class Officers

This year, the best class ever to grace Samohi participated in school events with great enthusiasm.

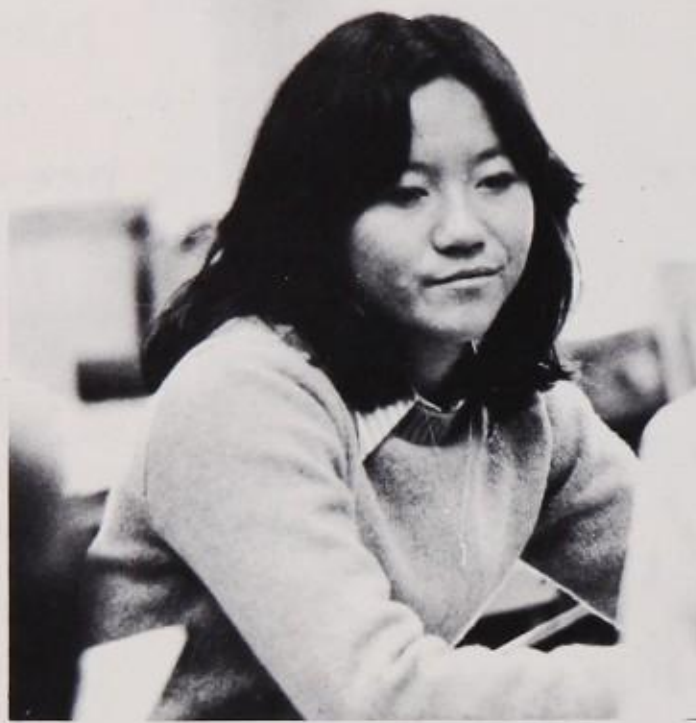

The highlight of the fall semester was Homecoming. Everyone's effort at the float-building party resulted in winning the Sweepstakes Award for the Seniors of '79's float "Young Odenstein!"

The newest idea to hit Samo was Senior Class Sweaters. Students were given the opportunity to buy these for a lasting remembrance of a fantastic year. Selling class sweaters has also a high possibility of becoming a tradition at Samohi.

One of the first Disco Dances was sponsored by the Senior Class. Entitled "A New Year's Jig," it set the new year off at a good tempo. With the profits the officers hope to have an especially super event for graduation.

With the start of spring the seniors supported a booth at the Cultural Faire. The "Fruit-n-Stuff" stand had such original ideas as 'fruit-ke-bobs' and 'veggie-ke-bobs.' Everyone involved had a tremendous time helping and eating.

The highlight of the spring semester was, of course, graduation. Because of the late graduation date, Grad Night was the Friday before graduation, but was still enjoyed overwhelmingly. Graduation seemed to be a prevailing thought on every senior's mind, whether happy, sad, or a combination. But after it's all over, we'd like to say, "Thank you Samo — you're the greatest!!"

**JUNIOR CLASS** — President Matt McGinnis, Vice President Larry Selna, Secretary Joanna Pieper, Treasurer Mike Maksymowicz

**SOPHOMORE CLASS** — President Kristianne Knight, Vice President Mollie Doyle, Secretary Elizabeth Guffey, Treasurer Romi Celli

This year the Class of 1980 greatly contributed to the success of Samohi's activities and special events. At Homecoming, the juniors got together and made their float, "Rocky" which captured the theme Award.

With the class funds at a minimum after Homecoming, President Matt McGinnis launched a diligent effort to raise funds. The class was responsible for the Cupid-Grams, numerous food sales, and an extremely successful dance. All of these combined to increase the class treasury to an all-time high, assuring a great Homecoming next year.

The sophomore class officers participated in many of Samohi's school activities. The night before Homecoming they overcame some unexpected obstacles to produce a decorative bridge for the pep rally. Since Homecoming, their efforts have been concentrated on raising money for the class treasury. They have done this by sponsoring a dance and by selling baked goods at lunch and at the Cultural Fair.

# Gridders Blitzed Early, But Make Comeback

Disappointing! That best describes the 1978-79 Varsity Football season, one in which the Vikings went 4-6 for the year. They did manage to make the playoffs however, with a third place finish in the Bay League, but bowed out of past season play with a first-round loss to Arcadia.

One major reason for the sub-par year was the lack of experience with only five Varsity lettermen returning for this season. This showed up in the early part of the season when Samohi played one of the most murderous schedules in Southern California, featuring perennial powers Pasadena, Loyola, and Compton. All three were ranked and went on to the playoffs.

Demoralizing losses resulted, and the team suffered great emotional stress. These doldrums continued in their next game against Bay League Champion Rollins Hills, losing 35-7, but then the Vikes got their act together. They won three out of their next four games, including wins over Centennial and archrival West, to clinch a playoff spot. The Gridders comeback then ended, however, losing to Arcadia in the first round. The Vikings jumped out to a 14-0 lead, but could not hold on, and lost 28-14.

## Sophs Show Promise

The Sophomore Football Team had a decent year, finishing in Third Place in the tough Bay League. They had a very good preseason in which they lost only to Loyola, a powerhouse every year. The Vikings' offense was led by a powerful running attack, while the defense held opponents to a touchdown or less four times. Spearheading the defense was M.V.P. Goyle Zavala, and Gary Young received the Leadership award. The potential this year's Sophs displayed should help the Varsity next year.

## Girls Run on Solid Ground

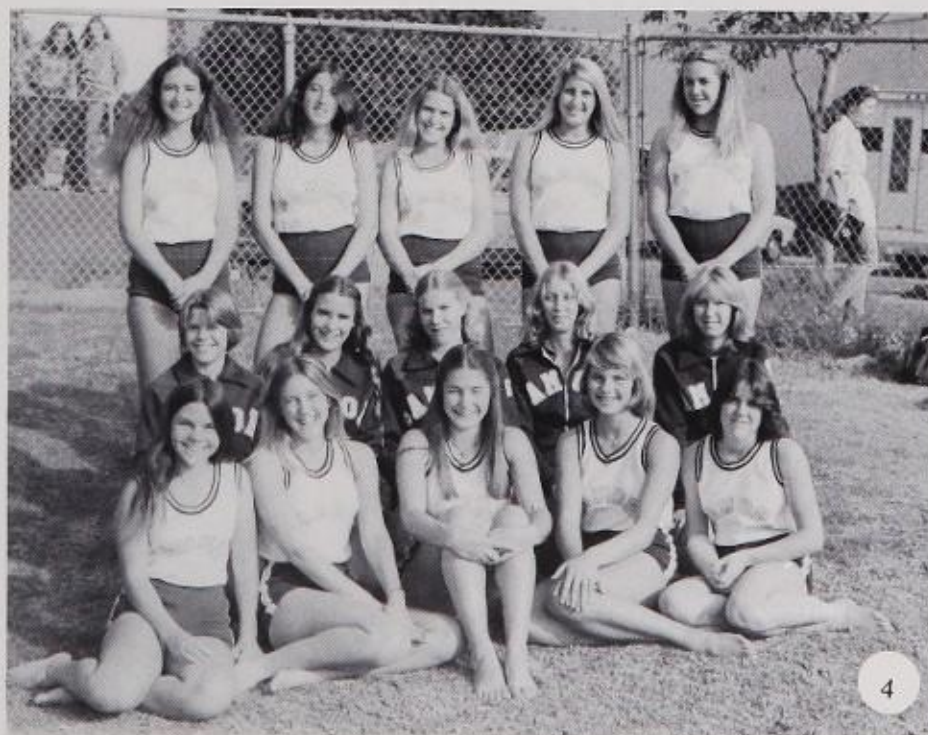

This year marked the first time that the Girls' Cross Country team had a solid year. In only their third year of existence, the lady Vikes finished in 3rd Place in the tough Bay League, and had a runner make the C.I.F. Individuals for the first time in Beth Gould, who also was named Most Valuable.

In past years, the participation of girls in cross country was bleak, but this year enough came out to make the team a strong competitor. If all the girls continue as much as Most Improved Janice Rourke did, the team will be contenders for the Bay League Title.

## Inconsistency Burns Thinclads

The Varsity Cross Country team was plagued by complications, and it showed in their performance. Their mediocre record was the result of a constantly changing team. Each race, the faces were different, making the vital organization needed sparse.

Several veterans returned for the season, and inspired the younger runners. But last year's M.V. Runner did not compete this year, hurting the team's chances.

Hector Perez, the 1978-79 M.V. Runner, led the Thinclads to their 5th place finish, while finishing 9th in the Bay League Individuals. The high point of the year was the team's outstanding 2nd place finish in the Pacifica Invitational. Adding support to the team were Captain Bill Horst and Most Improved Brad Jacobson.

## J.V.'s Set the Pace

With overwhelming talent, the J.V. Cross Country team set the pace for the entire organization. The team stayed constant throughout the year and practiced diligently to reach their potential. Their practice was not in vain, proven by the large margin win at the highly prestigious Mt. Sac meet. The J.V. Thinclads added to their record by placing 3rd in the Bay League Finals. Leading the J.V.'s were Most Valuable Raul Rivera, Most Improved Courtney Garfield, and Most Inspirational Jon Arenberg.

## Sophs Build for Future

The Sophomore Cross Country team had a rather disappointing season, but managed to salvage it by making a good showing at the League Finals. They started off slowly, but developed into a fine team at the end of the year. Sean Heyman was named M.V. Runner and Art Mortell won the Most Improved award. The fine effort of the Sophs will help the Varsity tremendously in the next few years.

# Tankers Stay Afloat

Although the 1978 Varsity Water Polo season was disappointing with a 2-8 record, it was not a total loss. According to new Head Coach Brian McNulty, "... the team matured a great deal."

Not only were the Tankers faced with the problems of a new coach and a lack of experience, due to having only four returning Varsity players, they also did not exist until two weeks before the season. By then, weeks of crucial training were lost and the prospects of a good year poor.

They leaped over these hurdles, however, through the leadership of M.V.P. Dimitri Gauthier and Captain Todd Sherman. Gauthier and Sherman sparked the team to victories over Hawthorne and Burbank on their way to earning their respective First and Second Team All-League Honors.

Strong support was also received from Most Improved Jeff Condon, whose effort and dedication epitomized the character of the entire team. This attitude enabled the team to prevent the season from becoming a complete disaster as McNulty stated, "even though the season didn't show that they were winners, they were."

(1) Held down by an opponent, Captain Todd Sherman tries to score.

(2) Greg Provencano completes a pass to a teammate over the outstretched arm of a Harvard opponent. (3) Front Row — S. Contreras,

(7) Nick Smedley puts everything he has into a shot against Hawthorne. (8) Front Row — R. Liu, G. Bender, J. Naumann, S. Mitchell, 2nd Row — R. Payne, R. Guymon, R. Martin, D. Datria, J. ## Sophs Take League Title

The Sophomore Water Polo team had a great league season, tying for First Place in the Ocean League, after losing four out of five non-league matches. Coach Robert Coulter credited their poor start to the late date that their season started. After that, however, they developed into a fine team. Dana Keith led the Sophomore Tankers in scoring with 21 goals, while Scott Bernhoft was named M.V.P. and Ray Liu received the Most Improved Award.

# Netters Set Record

Success! Playoffs! Quarter-Finals! These tell the story of the 1978 Girls' Varsity Tennis team. Their success in reaching the Quarter-Finals of the CIF playoffs surpasses that of any other team in Samohi history. Their only league losses were by either a slim margin or a lost tiebreaker. If not for a few illnesses, they could easily have been undefeated.

The lady Vikes were led by M.V.P. Kim Wilson Three-year #1 player, and Captain Lisa Dodd. Wilson advanced to the CIF Semifinals, while Most Improved Dianne LaGasse and Best Sportswoman Kathryn Barnard added their support. Number 3 singles player Carol Chase also helped to make this year's team the best in school history, as Coach Ardis Bonoza stated, "We had an excellent year."

The Girls' Junior Varsity Tennis team also fared well, coming in second Place in the Bay League. One big reason for their success was the play of the many sophomores on the team. According to Coach Bonoza, "I was amazed at the performance of our sophomores at the J. V. level." The J. V.'s were led by Most Valuable Player Annie Melikian.

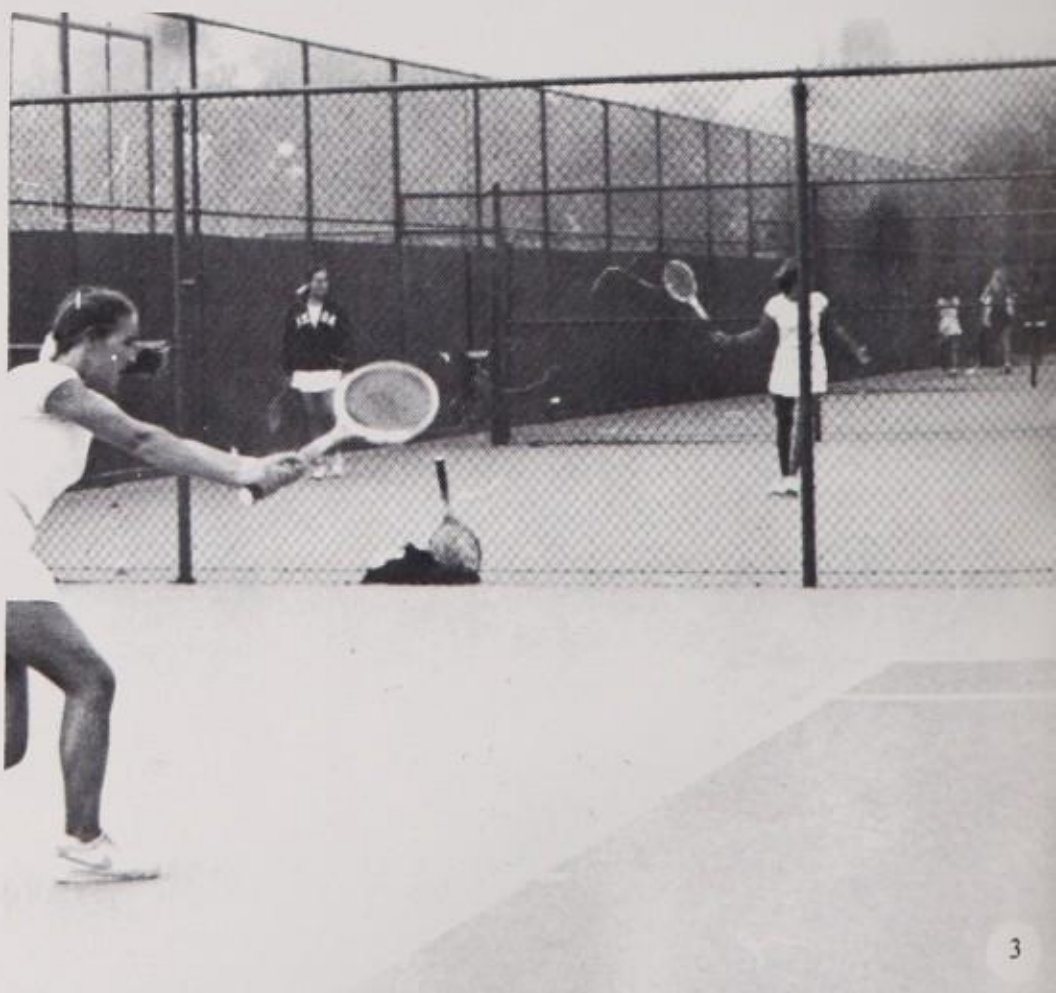

(1) Christina Kaus eyes the ball before acing out opponent. (2) Carol Chase strokes a forehand to score a winning point. (3) Number one player Kim Wilson unleashes blistering backhand. ## Volleyball Bumped Out of Playoffs

The girls' varsity volleyball suffered through a disappointing season, going 4-8 in league. The team suffered many injuries and had to call up junior varsity players several times.

Despite the poor performance of her team, Coach Marty Ruby was nevertheless pleased. She described them as the "most cohesive" group she had ever worked with.

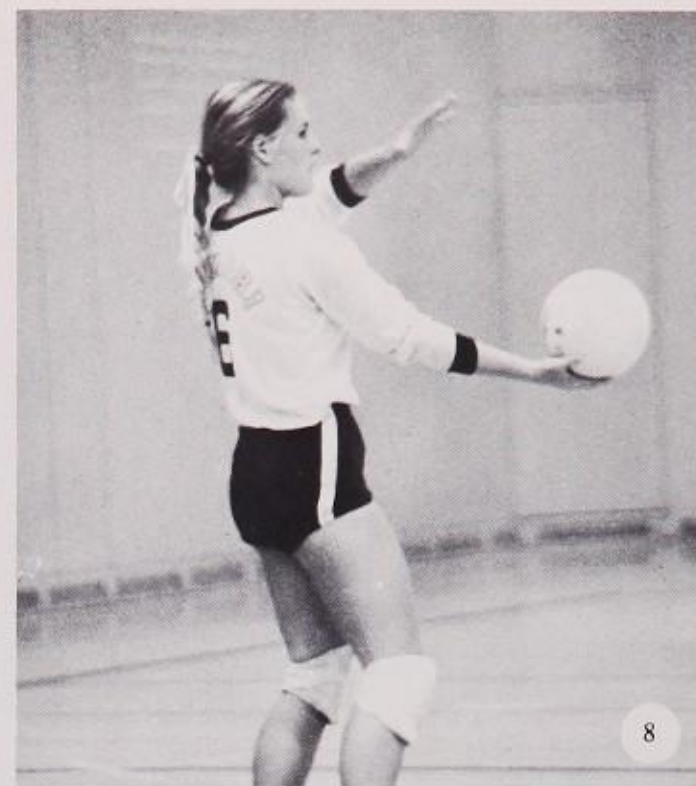

Cathy Jones was named the team's MVP. Shelly Short was the varsity's Most Improved player.

## Soccer Gets Socked by Tough Bay League

1979 was a disappointing year for Varsity Soccer, as the Vikings, ranked as high as 6th in CIF pre-season polls, became a victim of the powerhouse Bay League, the strongest league in Southern California, with all of its teams in the top 12. The top three teams; West, South, and Rolling Hills, all advanced to the CIF semi-finals, and accounted for 6 of the Vikings' 9 league losses. This was not the only reason for the Vikes' Fifth-Place finish, however, as Head Coach Jose Lopez stated that a lack of dedication on the players' part contributed heavily to their poor league record.

Leading this year's team was Most Valuable Gustavo Manzanaras and Most Inspirational Rolando Marchis, while Most Improved Ramon Cortez added support. Mark Charleton led the Offense winning the Attacker of the Year, and Milton Alvarenga spearheaded the Defense, being named the Defender of the Year. Jim Dassise was named the Scholar Athlete.

## J.V.'s Get Off On The Wrong Foot

The Junior Varsity team was once again used mainly as a training ground for the Varsity. The J.V.'s record of 1-13-4 does not reflect the amount of effort they put in, as Coach Lopez stated "There isn't too much emphasis put on winning." Their win over was the highlight of the year as they gained a lot of game experience. The J.V. team will probably supply 15 of next years Varsity squad. Kevin McTague was named the Most Valuable Player while Eric Dinello received the Most Improved award.

(9) Front Row — J. Schloss, S. Martinez, M. Harris, J. Padilla, J. DePablo, D. Tooch, G. Montoya, Second Row — E. Dinello, C. Henney, E. Ortiz, L. Marchis, T. Colby, E. Caballero, L. ## Varsity Cagers Find Streaking Beneficial

Streaks. They comprised the 1979 Varsity Basketball season, as the Cagers had their most successful year in recent memory, finishing second in the Ocean League, and going 15-8 overall.

The first streak consisted of the Vikings preseason, one which did not inspire much enthusiasm as the Cagers won only 4 and lost 5. During this period, the Vikes played inconsistently, first finishing in fifth place in the Beverly Hills Tournament, and then turning around to drop two straight in the Pepperdine Tourney.

The next streak, however, was the ultimate one, seeing Samohi sweep through their first eight Ocean League games undefeated. Included in this run, in which everything went the Vikings way, were wins against league favorites Beverly Hills and Rolling Hills, and one-point victories over Centennial and Mira Costa. The Cagers future looked rosy as a playoff spot was just about clinched.

The last streak, though, signaled the end of the Vikings Cinderella story, beginning and ending with blowouts. Eventual Ocean League Champ Beverly Hills followed Rolling Hills 65-56 win with a crushing 66-43 victory. By the time the playoffs came, Samohi had lost all of its momentum and seemed to come into Corona Del Mar flat, falling behind 22-13 after one quarter. The Corona Del Mar Seakings then went up by 22 early in the second half and sealed the Vikings fate, winning 69-59.

Leading the Vikes all year were Most Valuable Player Kelvin Young, a First Team All-Ocean League selection, and Second Team All-League Players, Frank Lempert and Mark Kelffel. 1979 was a tremendous season, though, as Coach Gary Luttel stated, "We played our last two and a half weeks poorly, but overall we had a good, successful season."

Other award winners included Most Improved Dedrick Wilson, Most Inspirational Mark Ulrich, and Best Defensive Player Tony Hamilton. Captain Kelvin Young was also made an All-Westside Team selection.

# Consistency Produces 17-1 Record

The 1979 Junior Varsity Basketball Team had the best record in its history with a tremendous 17-1 record. The J.V.'s were not in a league this year since J.V. Basketball had been eliminated, but once reinstated, they ripped opponent after opponent during a 15 game win streak. Their superiority was demonstrated by their 17 point winning margin average. Their only loss came at the hands of a good Rolling Hills team at Rolling Hills after having defeated them early in the year.

The J.V. Cagers set their pace early by winning the Bellflower Tournament Championship, where Bill Behling won Most Valuable Player, and then winning their next twelve games in a row. The Vikings' consistency was the main reason for the long win streak, and was led by Larry Peterson, who was either first or second in nearly every statistical category, and was named the Most Valuable Player. Lars Liebler won the Most Improved Award, while Sam Richardson received the Most Inspirational Award.

# Sophs Fast Break to Third Place

An exciting fast break and a swarming defense were the trademarks of this year's Sophomore Basketball Team which ended up with a 15-7 overall record, 9-5 in the Ocean League for a third place finish. Dull games were few and far between as over half of the Sophomores' games were decided by 10 or fewer points. The entertaining play of Mike Edwards and George Quintero also provided for the exciting brand of basketball lacking at Samohi in recent years.

Highlights of the Sophomore Cagers' season included a fourth place finish in the North Torrance Tournament, the Consolation Championship in the Mira Costa Tournament, and a thrilling one point victory at Rolling Hills over the second place Titans. The Sophomores' major asset was according to Coach Erik Loose, "... Their ability to come back. They never gave up on a game." That fighting attitude propelled them to a successful season.

## Varsity Wrestlers Pin League Title to Their Record

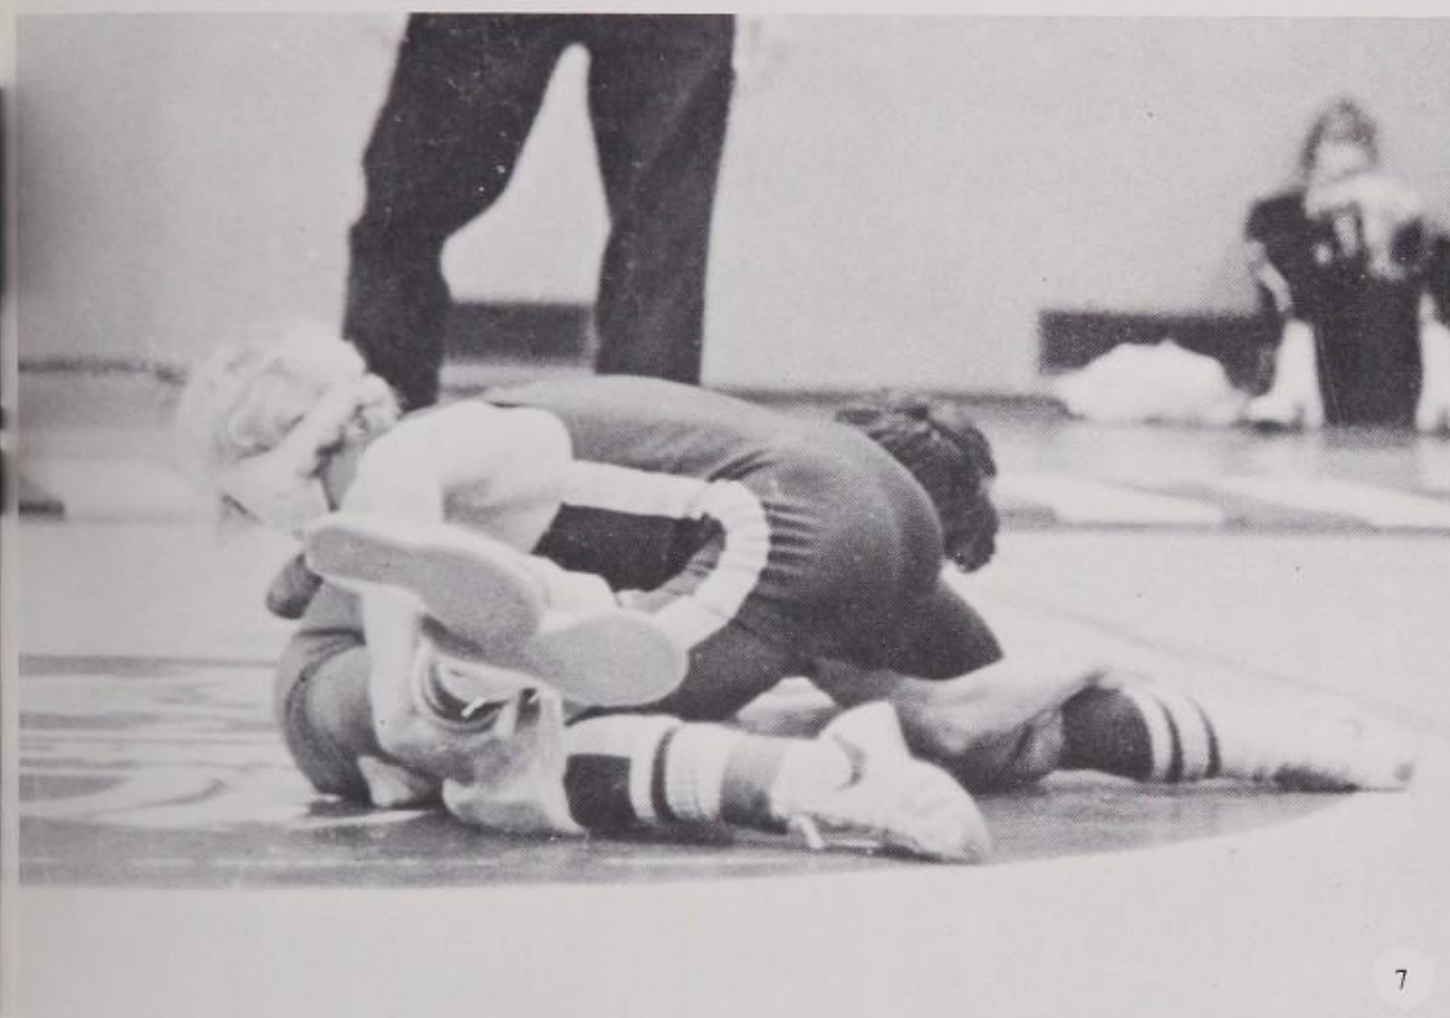

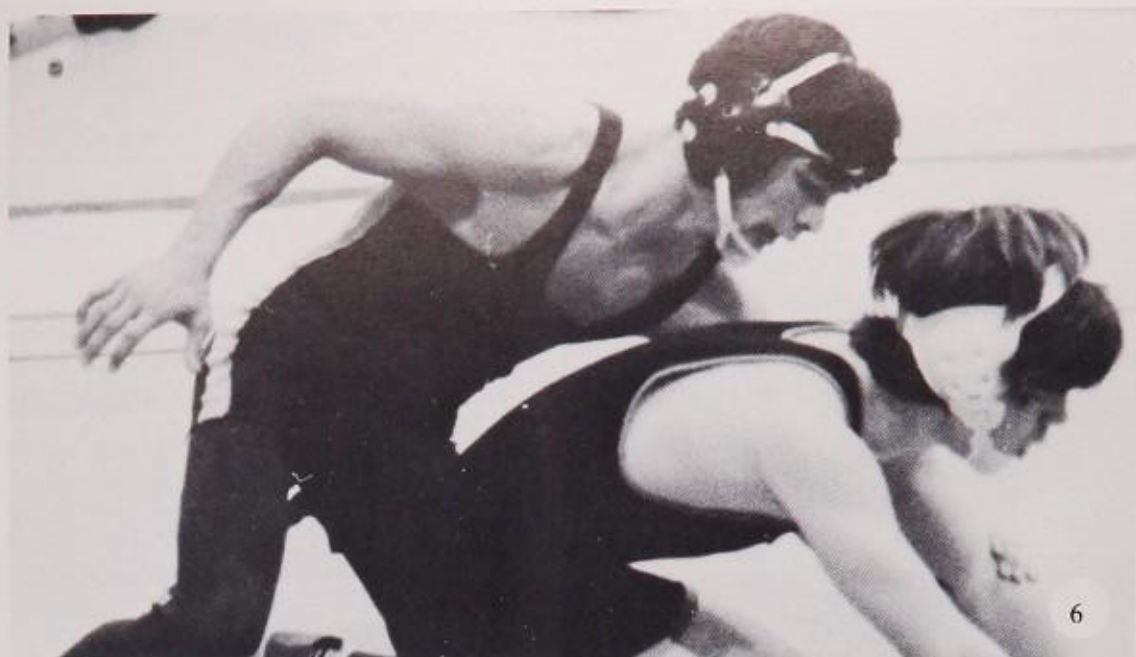

From the Hawaiian Islands to beautiful downtown Westminster, the 1979 Varsity Wrestlers won nearly everything. Starting their season in Oahu, Hawaii, they had a respectable finish in the Kahuku High Tourney against top teams from Japan and the U.S., with Heavyweight Enrique Valdez taking Third Place. From there, the Grapplers went on to the El Camino Tournament where they finished third out of sixteen teams, Valdez and Mark Young capturing First Place awards.

That was only a tuneup, however, as the Vikings went on to put a Headlock on the Ocean League, marching through undefeated, and winning the championship outright in the League Finals. David Norman, Jay Ferns, Pat Tope, Young, and Valdez all came in first Place as the Vikes outscored Second Place Beverly Hills 155½-132½. In the 98 pound division, junior David Norman went all the way to the C.I.F. Finals in Westminster after finishing Third in the Sectionals.

Winning awards for the wrestlers were Most Valuable Player Enrique Valdez, Captain Jay Ferns, Rookie of the Year Dan Cortazzo, and David Norman for All Around Excellence.

## J.V. Grapplers Come Near Before Fall In Finals

The Junior Varsity Wrestlers had a tough act to follow after the Varsity, but they had an exceptional year, with an 11-2-1 record and a Second Place finish in the Ocean League. Bailey Whitaker, Peter Newman, and Deryl Deese led the J.V.'s with their First Place finishes in the League Finals. At the Beverly Hills Quad Meet, the J.V.'s had 7 champions in Edgar Garcia, Bailey Whitaker, Mike Elrod, Simon Bluestone, Jamie Garcia, Mark Young, and Danny Cortazzo. Most Valuable Player for the J.V.'s was Deryl Desso, while Steve Garcia was the Captain. Mike Elrod won the Most Improved Award, and Mel Khan, Steve Akdins, and Glen Gardner all received Academic Excellence Awards.

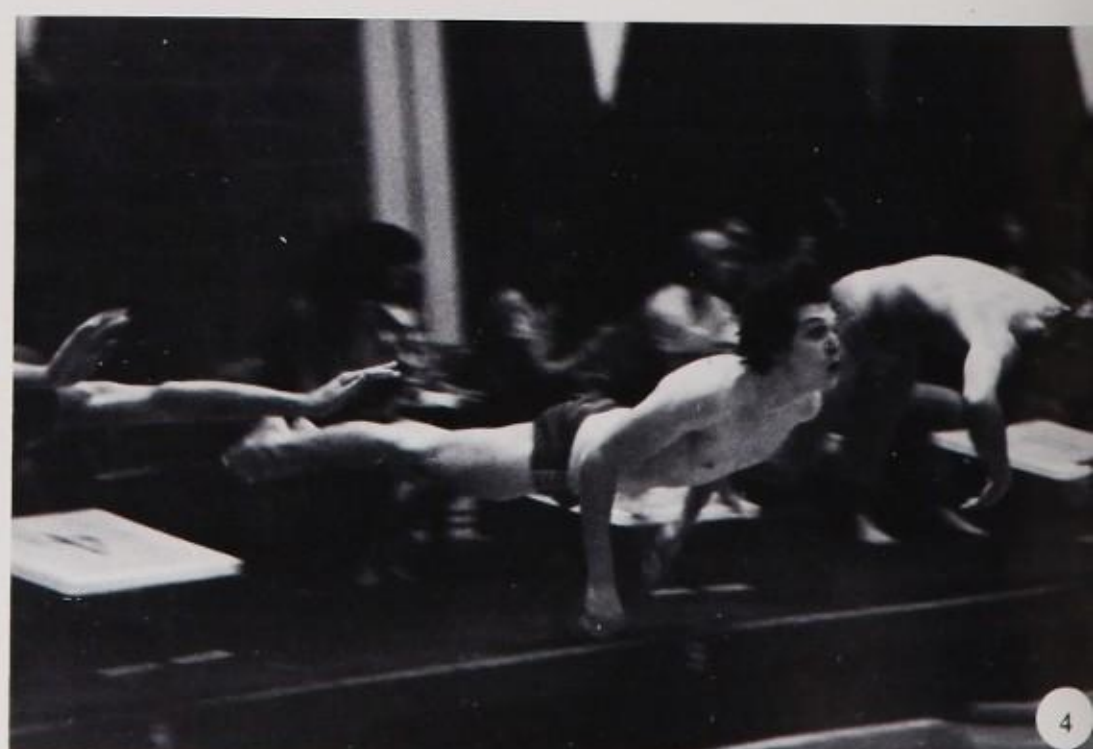

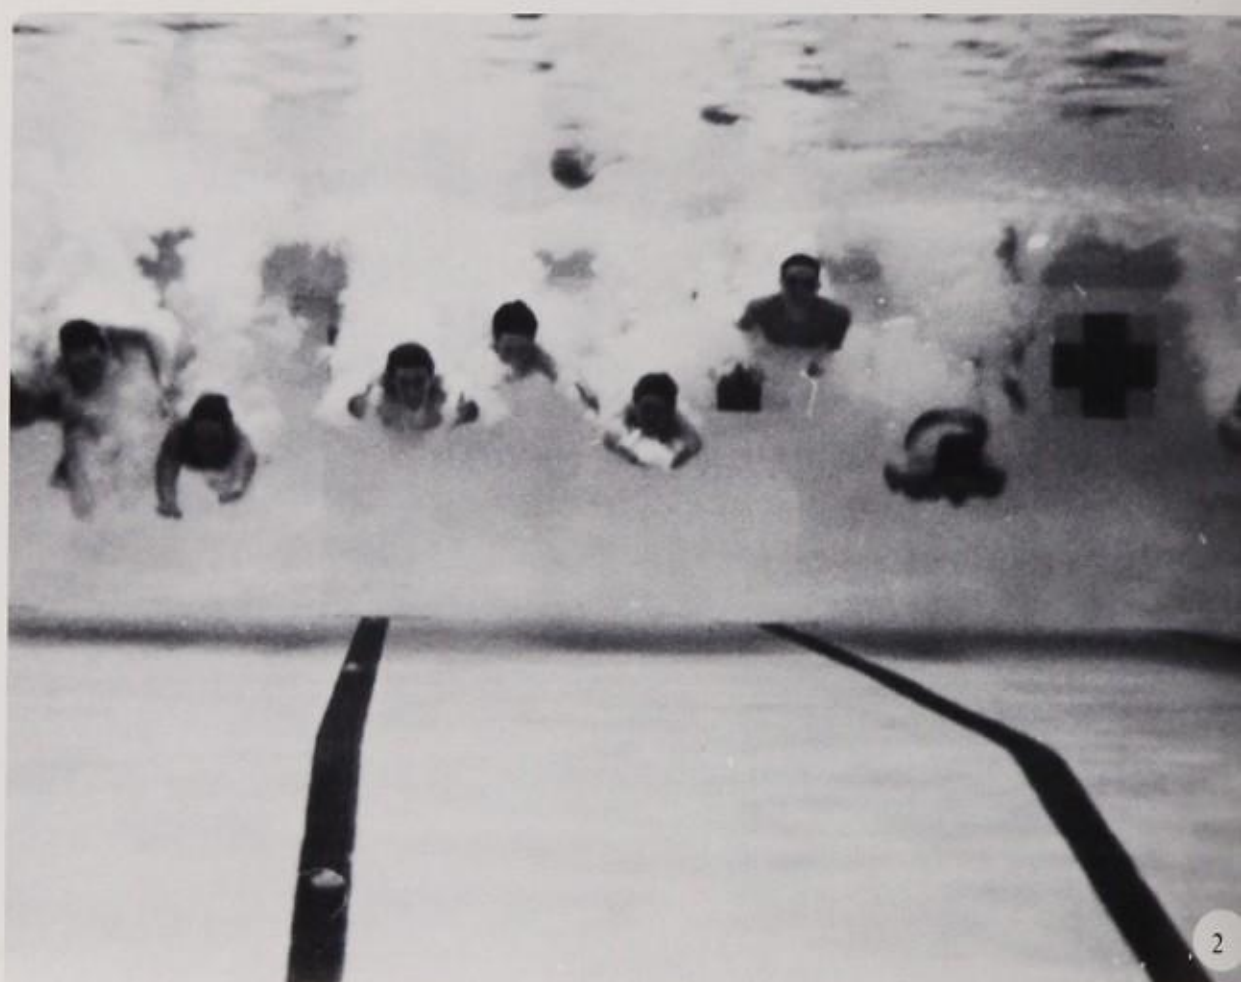

# Male Swimmers Improve Attitude

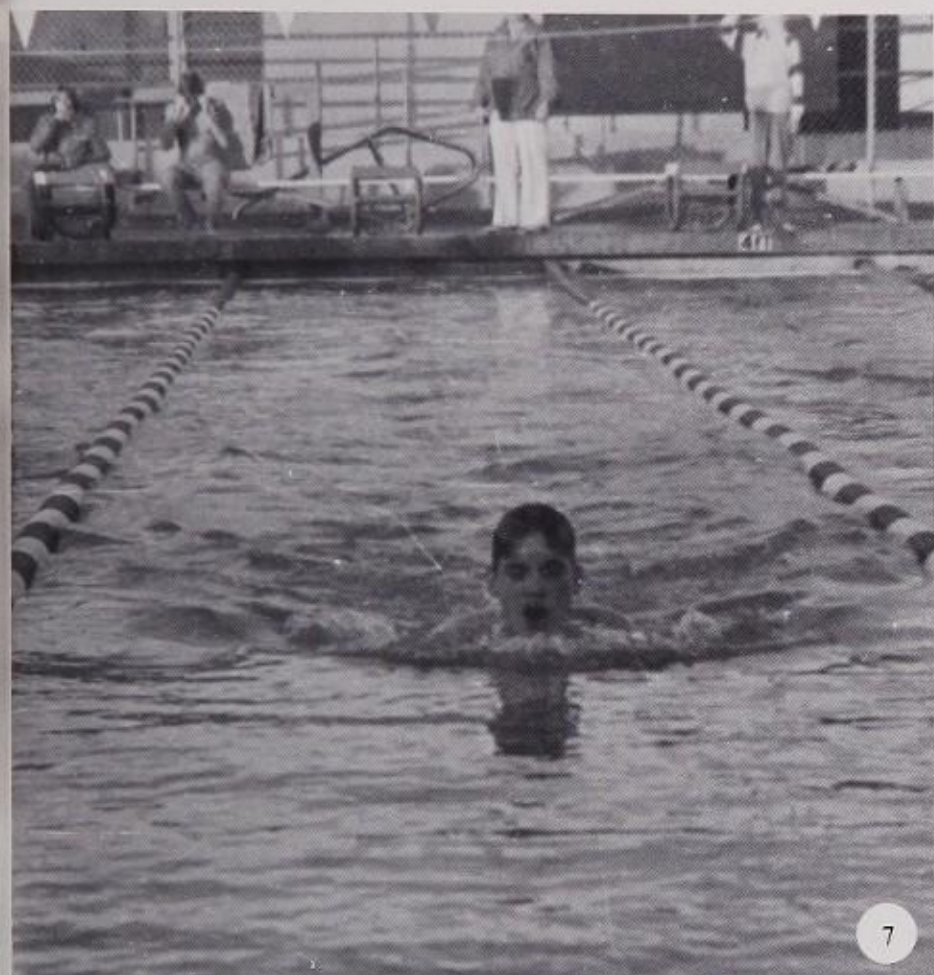

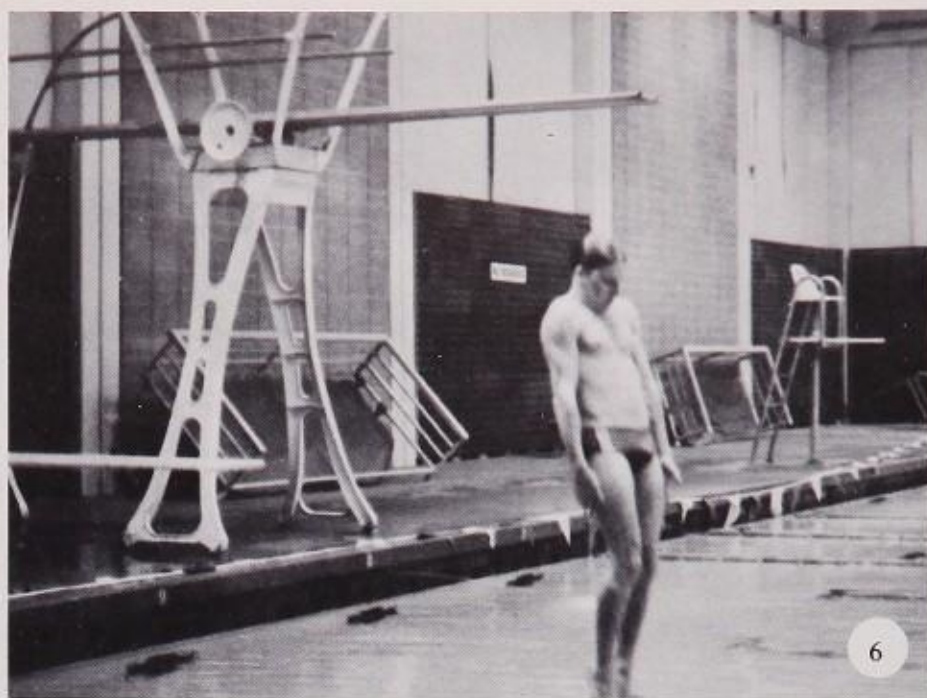

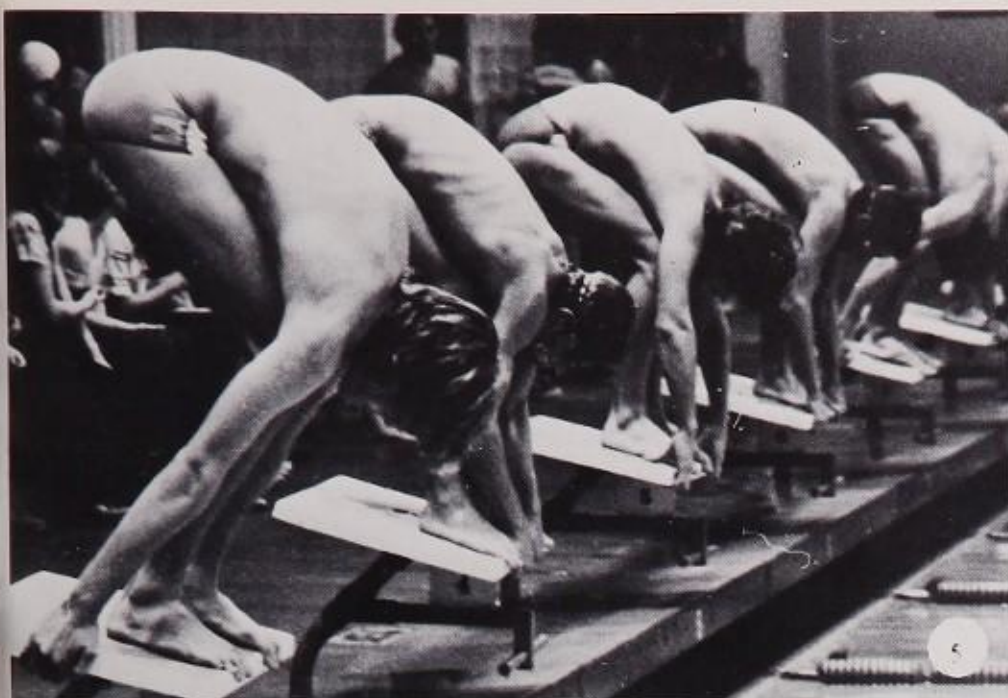

1979 was not a prosperous year for the Boys' Varsity Swim Team, but they had a good year. Todd Sherman advanced to the CIF Finals in the 50 free style and several others made it to league finals. Skill and ability were not the only attributes the team had. New Head Coach Brian McNulty commanded respect, and the team responded with very good attitudes.

## Sophs Have Great Year, But Drown In League Finals

Outstanding individual performances led the Sophomore Swim Team to their 9-1-1 record in the Bay League. If not for their disastrous Fourth Place finish in the Bay League Finals the season could be labeled a tremendous success. Even so, the Sophomores gained tremendous experience and training this year, preparing them for Varsity careers. This year's team consisted of 18 members, and as a result was well equipped for each event. The Sophomore Team was led by Most Valuable Scott Bernhoft and Most Improved and High Scorer "Disco Bob" Martin.

# Female Cagers Bounce Passed League To Playoffs

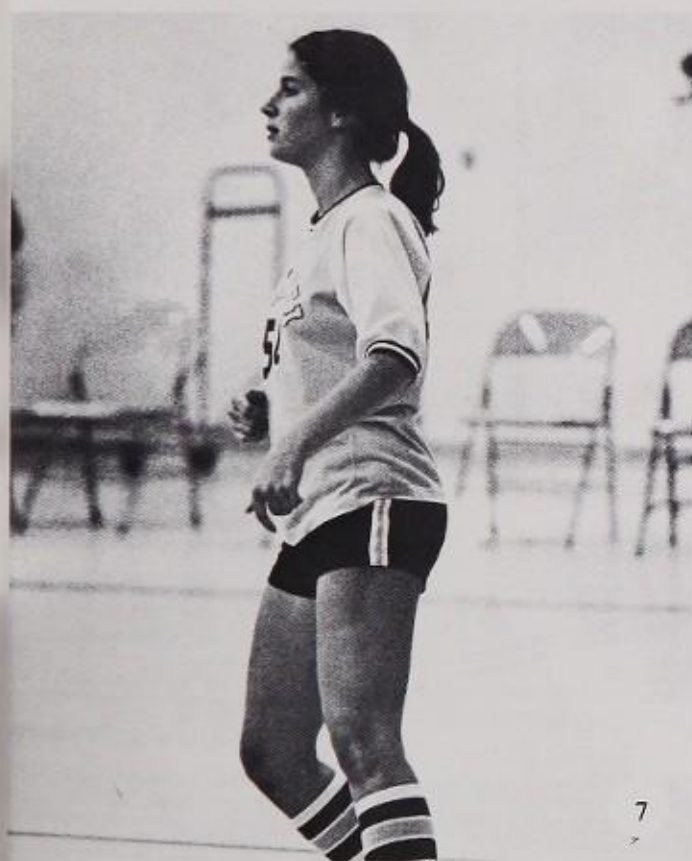

After only three years, the Girls' Varsity Basketball team won the Ocean League Championship, tying with Morningside, and became a powerhouse in the world of Girls' High School Basketball. Their outstanding preseason record of 9-2 and First Place finish in the South Torrance Tournament warmed them up for the Ocean League where their only two losses came in overtime. In their first-round playoff game, however, the female Cagers were matched up against a tough Estancia team, one which had defeated the Vikes earlier in the year. Estancia's style of play and the Vikes' poor shot selection led to an early exit from the playoffs for Samohi. 1979, however, was an outstanding season for the lady Vikes, marking the first year they made the playoffs. They also became the first Varsity Basketball Team at Samohi, male or female, to win a tournament.

The trio of three-year Varsity players on the team all made the All-Ocean League Team with Stephanie Turman and Gigi Staggers making the First Team, while Nikki Soteris made the Second Team.

(1) Front Row — T. Swanson, S. Scott, N. Soteris, J. Feldman, Second Row — S. Dyer, K. Burright, N. Olson, S. Turman, J. Mucha, Third Row — Coach N. Takagi, T. Dale, G. Staggers, A. Rodgers, Coach D. ## J.V.'s Overcome Inexperience

The Girls' Junior Varsity Basketball Team is used primarily as a training ground for future Varsity Teams. Very little emphasis is placed on winning, as no league records were kept. Only two girls on the team had ever played organized basketball before, so most practice time went to fundamentals. Outstanding players Karleen Jones, Lisa Scaduto, and Delisa Carter exemplified the team's thorough dedication and aggressiveness. Coach Nancy Takagi summed up the season, "The most important thing is that we had a good year and learned how to play as an organized, successful team."

## Golfers Look For A Par Year

The 1979 Varsity Golf Team expects to do very well, hoping for an Ocean League Championship. The team is a good one, but lacks experience and confidence, especially since a new home course is being used this year. Coach Irv Kasten feels that with a little confidence, the team will go far. In early season matches, the Viking Strok-ers lost close matches to Beverly Hills and Rolling Hills, but beat Palos Verdes. The top players so far are Jeff Wells and Mark Den Dekker.

## J.V.'s Have Incentive

The Junior Varsity Golf Team does not compete in a league, although they do play a regular schedule. They have tremendous motivation in that if they shoot a better score than a Varsity player, they will move up. Besides this, the J.V. Stokers also have the chance to refine their skills and gain helpful experience.

# Concentration The Key For Tennis

Concentration is the name of the game for the Varsity Boys' Tennis Team. If they can attain it, Coach Leland Finch said, "We will have an excellent team." The Vikings started Bay League play with a 16½-11½ victory over Dos Pueblos, one of the top league teams. The team is composed of 11 outstanding players, and if they play to their potential, they will continue their 5-2 preseason pace. Coach Finch stated that he plans to go to the CIF playoffs.

## J.V.'s Field Best Team Ever

This year's J.V. Tennis Team is the strongest ever at Samohi. So far they have a 3-0 record, and have an excellent chance to go through the whole season undefeated. For the first time, the team is made up of talented players instead of leftovers.

# Girls' Swim Team Super Strong

1979 should be a banner year for Girls' Swimming. The Varsity is strong in every event and is very well balanced. Jessica Wilkins epitomises this balance as she has nearly qualified for CIF in every event. This year's team is the hardest working team Coach Carolyn Rodionoff has ever coached, resulting from their complete dedication. Coach Rodionoff expects many girls to qualify for CIF as some have already come close in workouts, and she summed up the team's chances, stating, "What can I say, they're just a bunch of fast little kids."

## J.V.'s Will Shine

For the first time in many years, the Girls' Junior Varsity Swim Team will be a "Shining Star!" In the past, the J.V. team consisted of leftovers from the Varsity, but not so this year as many of the girls would normally be swimming Varsity. 1979 marks the first year they have been strong and complete.

# Vikings Go Into League Strong

The outlook for the 1979 Varsity Baseball season did not look good as the Vikings had only three returning lettermen, and were picked to finish fifth in the Bay League. To make matters worse, transfer pitcher Rick Walgren came up with a sore arm. Scott O'Neil, Jim Fisher, and Allen Miller picked up the slack, however, with some excellent pitching performances, O'Neil and Miller combining to beat South, and Fisher allowing one run against Excelsior.

While the pitching and defense were

excellent, the Viking braintrust, led by coaches Tom McCaffrey and Ken Beaulieu, waited for the bats to come around. Tony Walczuk, Derrick Singleton, and Gilbert Brezino provided the main spark in the preseason, which the Vikes finished with a 5-2-2 record.

The main problem seems to be inexperience, as the many rookies adjust to varsity caliber. Coach McCaffrey feels that the team will come alive, and should win the Bay League Championship.

(1) Derrick Singleton looks down the vee. 2) Scott O'Neil glares at the batter before releasing the pitch. (3) Mark Swartz gets back to first ahead of the throw. (4) Singleton dives back safely. # Explosive J.V.'s Get Good Pitching

Much of the Junior Varsity Baseball Teams pre-season was rained out, but when they did play, they exploded with a 17-4 win over Venice, and a 5-0 victory over Royal. The Vikes also received excellent pitching performances, including two shutouts, one over Royal, and the other coming on Neil Newns' 8 inning gem, 1-0. The J.V. team is a young one with a great deal of sophomores, but Coach Chuck Ice feels his team will have an excellent year.

## Soph's Get Reinstated

The Sophomore Baseball team was another Prop. 13 cut, but community support enabled it to be reinstated. As a result, the Sophs played a make-do schedule, losing 1 and tying 1 in their first two games. The Vikings lack good fundamentals and baseball sense, but are rapidly improving each day. Their greatest asset according to Coach Lyle Becher is their "ability to comeback."

## Distractions Hurt Girls' Track

The Girls' Track Team has shown a great deal of promise, but outside problems have hurt them. The distance races are the team's strong point, led by Lisa Scaduto and Beth Gould. Sharen Hamilton, a state finalist last year in the shot put, should again help tremendously. Although Rolling Hills is the strongest in the Bay League, Samohi should qualify a high number of girls for CIF.

(1) Liana Natzler pushes off the starting block in the 440 relay. (2) Yvette Bergeron soars over the hurdles as Michelle Masakayan follows closely. (3) Spreading her arms out like a bird, Allison Cowell flies across the finish line. (4) Gretchen Eicholz concentrates as she waits for the gun. (5) First Row — (l. to r.) A. Burris, C. Collins, S. Cole, S. Hamilton, J. Malone, K. Knight, K. Keane, Second Row — L. Stern, M. Cole, A. Cowell, L. Dooley, S. Singleton, J. Salzman, B. Baxter, D. Villalobos, Third Row — C. Flaherr, M. Masakayan, K. Rodriguez, A. Rodgers, S. Turman, N. Soteras, J. Rourke, R. Dealey, Fourth Row — R. Fragoso, M. Grant, J. Westland, M. Brown, C. LeJeune, B. Nolind, S. Rebane, G. Eicholz, Last Row — Y. Bergeron, B. Gould. (6) Beth Gould holds on to the Second Place in the mile at Rolling Hills. (7) Liana Natzler settles into the blocks before starting. (8) Blasting off the starting blocks, Stella Singleton begins the 220. (9) Coach Paul Kerry discusses strategy with some of the female runners.

## Softballers Go For Playoffs

The Girls' Varsity Softball is a fairly good team. All the girls have the skill and potential; they just need to be developed. The girls are continually working on cohesiveness and mental awareness. The team's weakness lies in pitching and catching. They do, however, show promising potential as both the pitchers and catchers are underclasspersons.

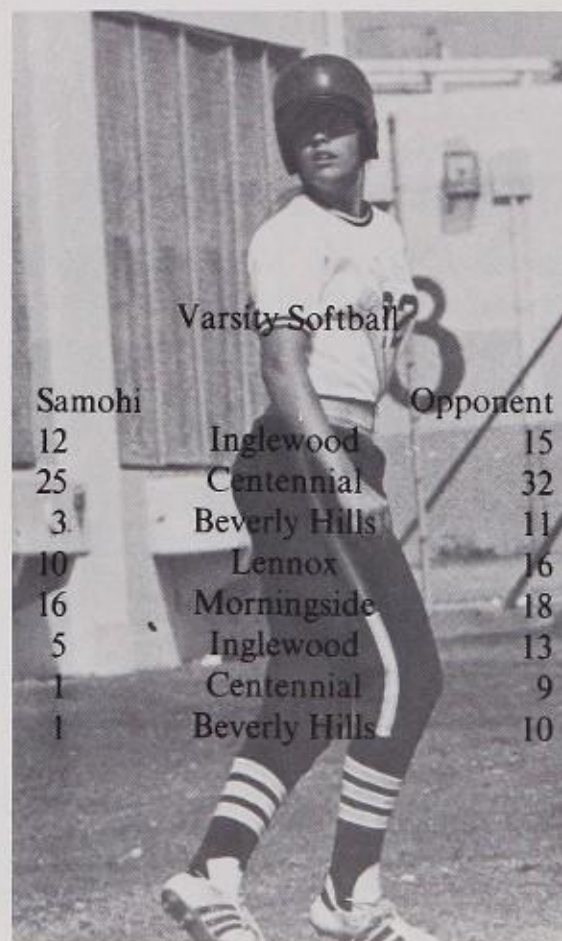

The strongest point of the team is the infield. The girls are dedicated and determined to win. The infield is led by the returning letterpersons Mary Hirt, and Becky Gonik. The outfield is constantly improving led by Cathy Hoover and Sue Dyer.

Coach Jamie Jimenez plans on a successful season and is looking forward to a playoff spot in theioneer League.

(8) Caroline Reader holds on to the ball after colliding with Sandra Ferguson.

## Three-Year Experience Pays Off

Experience will be the Boys' Varsity Volleyball Team's greatest asset as many of the players have played varsity the last two years. The addition of Coach Larry Coleman, former Colorado State Coach, has strengthened the team considerably. Also new to the Volleyball program this year is team supervisor Don Morrison as expert motivator. According to Coach Berkley Blatz, this year's team has tremendous all-round talent and balance. Leading the team will be three-year varsity starter Chris Schaefer.

## J.V.'s Excellent In '79

This year's J.V. Volleyball Team is, according to Berkely Blatz, "the best in the school's history." Coached by Glen Sato, the J.V.'s are undefeated so far. Terry Kamibayashi and Scott Sato are the key to the team, being small, quick, and extremely intelligent. The very important middle hitter, Scott Putnam, has outstanding potential, and is improving rapidly each day. This should be the J.V.'s year, especially since they give the varsity squad a hard time.

# Distance and Field/ Events

## Lead Track Team

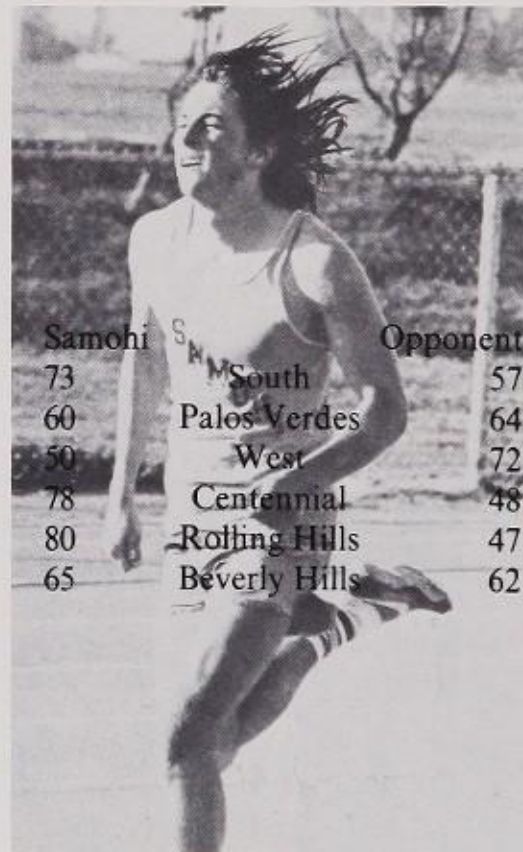

1979 should be an exciting year for Boys' Track as the team is loaded with talent. One of the strongest teams in the Bay League, Samohi has great depth. This, along with the team's success. The Tracksters' best events are the distance and pole vault events, where according to Coach Mike Griswold, they will destroy the other teams, Brent Schaefer leads the sprinters and Hector Perez tops the distance men, while Tim Jones, undefeated in the long jump, and Chris Kolodziejewski in the shot put lead the traditionally strong field events.

(1) Front Row — C. Levy, A. Bergher, M. Higgins, J. Hauser, J. O'Neil, G. Larios, G. Garret, M. Marchesano, E. McLaughlin, Second Row — A. Mortell, D. White, C. Kolodziejewski, S. Gaylord, B. Zavala, R. Dorsey, E. Estevez, S. Senior, S. Richardson, T. Hamilton, (2) Ray Dorsey gets a quick start in the 220. (3) Goyle Zavala breaks the tape in the mile relay. (4) Jack O'Neil clears the pole vault bar. (5) Brent Schaefer soars over the hurdle against Rolling Hills.

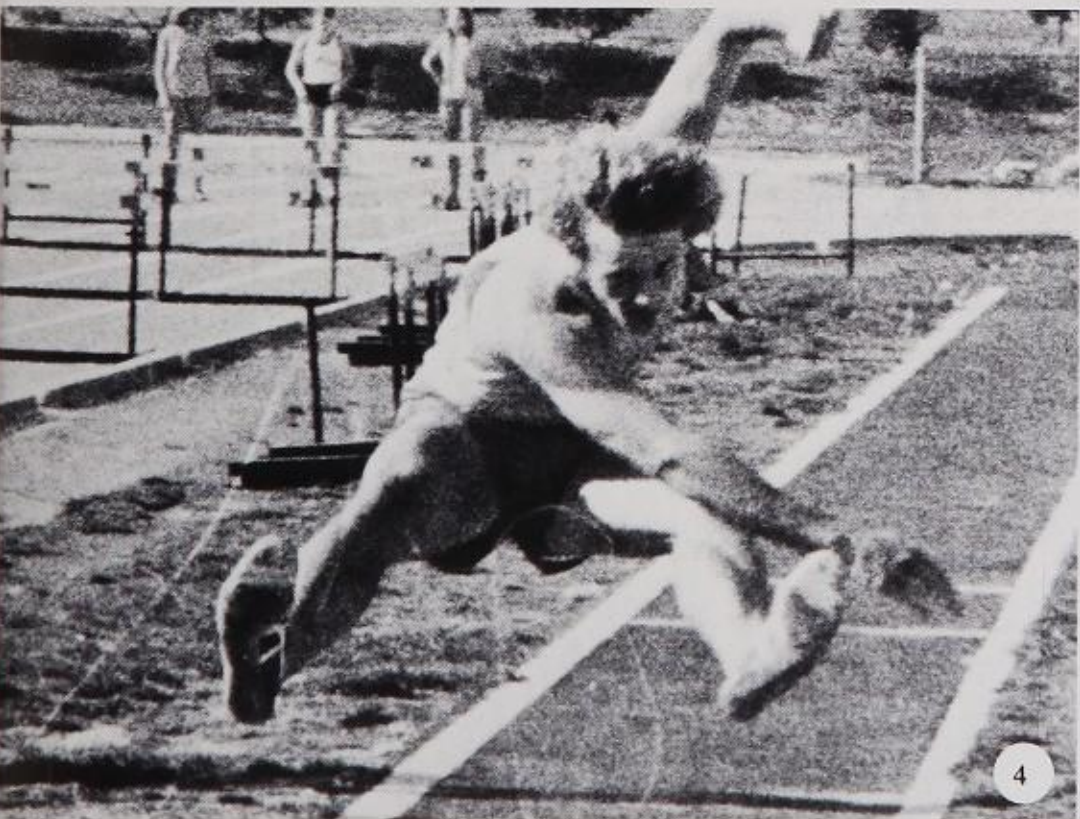

(1) A Viking relay man waits for the start. (2) Exploding off the blocks is a Samo runner. (3) Tim Jones hands off to Bill Niles in the 440 relay. (4) Long Jumper Mike Marchesano flies through the air.

# Up and Down Year in Sports

1979 was a mediocre year for Samohi Athletics, producing only three league championships in the fall sports. Football made the playoffs again, but had a disappointing season, losing in the first round. Cross Country and Water Polo followed with poor seasons, but Girls' Tennis came through with the Bay League Championship and advanced all the way to the CIF Quarterfinals, the farthest in Samo's history.

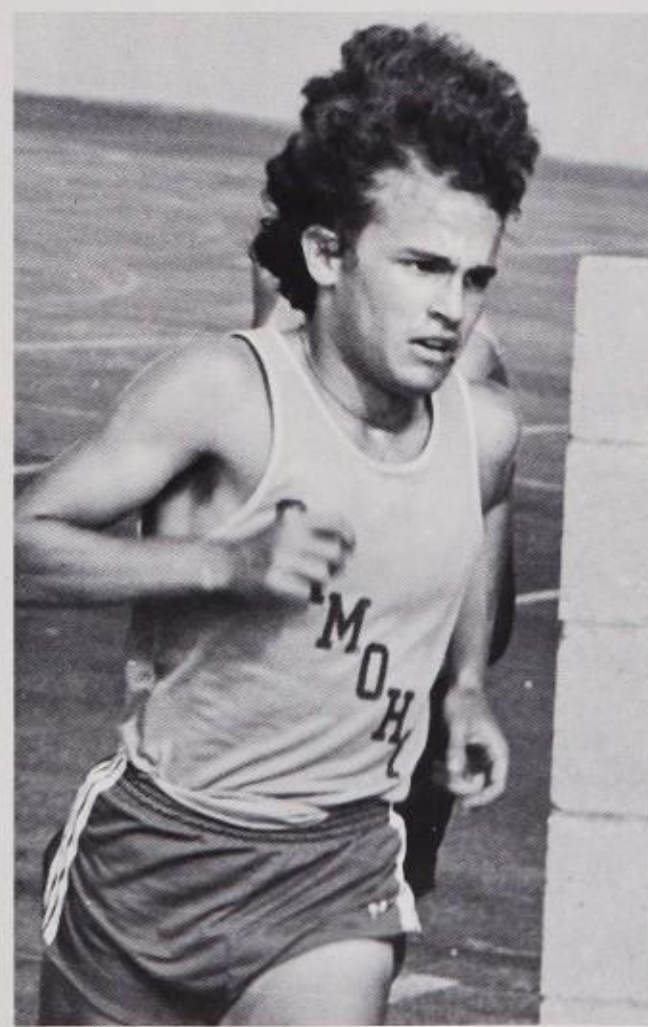

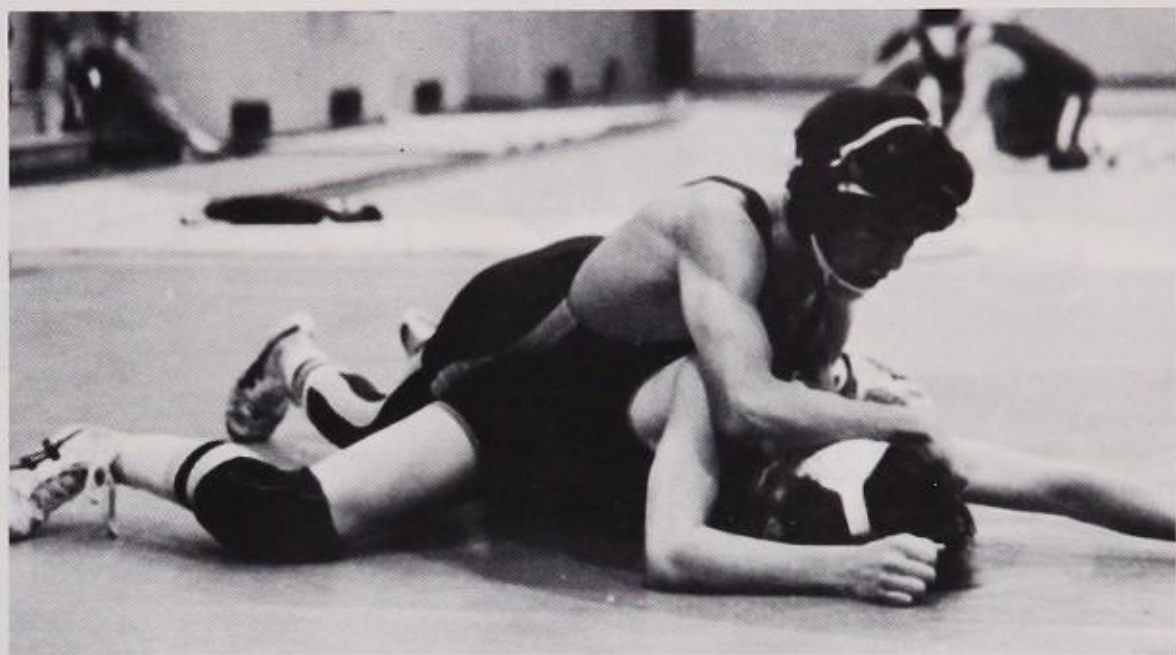

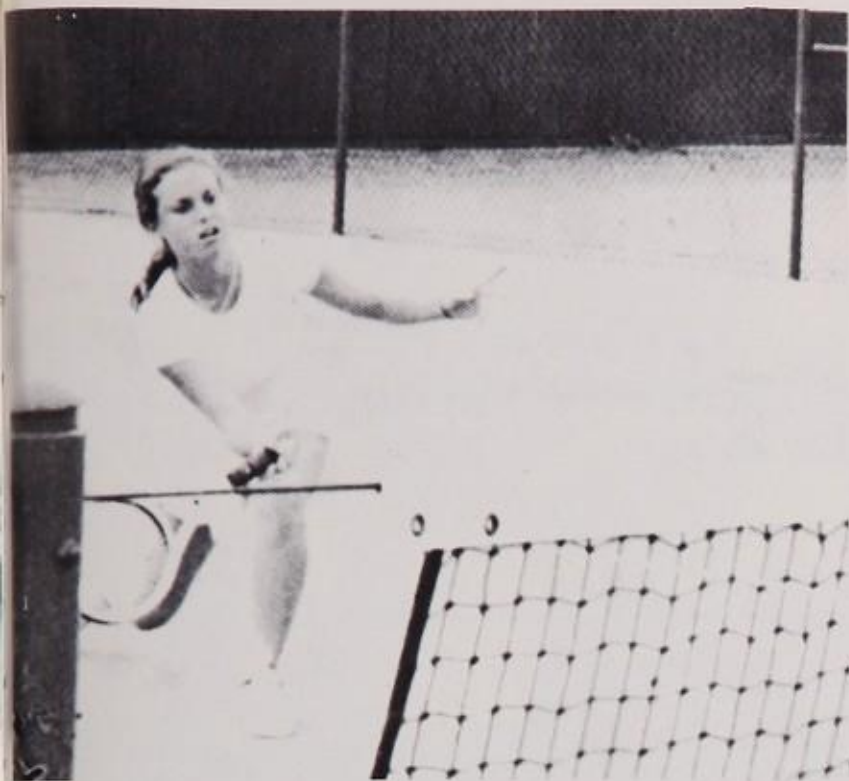

Girls' Volleyball, usually a powerhouse in CIF, failed to make the playoffs for the first time in many years. Soccer suffered a similar fate, running up against the tough Bay League, which supplied the two CIF Final teams. Boys' Basketball continued its gradual success, finishing in Second Place in the Ocean League before losing to Corona Del Mar in the playoffs.

Wrestling brought Samo its second league championship of the year, winning the Ocean League after its trip to Hawaii. David Norman represented the Vikes well as he advanced to the CIF Finals. Boys' Swimming had a disappointing year, but Girls' Basketball won the third league championship, tying with Morningside for first in Ocean League. It marked the first time that they made the playoffs, but they lost in the first round to a tough Estancia club.

Looking to the spring sports, Girls' Swimming, Baseball, and Boys' Track look like good shots to bring home championships to Samo.

Dear Miss Rollins,

I can honestly say you were the best and most beneficial teacher I ever had. The many essays and book reports I wrote in your class have really given me a better feel for writing. I remember telling you that I feared writing and I did not enjoy it. I ~~now~~ feel a great deal more at ease about it. I know this will help me in my years of college.

## Malibu on Fire . . .

The Malibu-Agoura fire kept most Samohi students from Malibu home on Tuesday, October 27 when school district transportation was not provided because the fire had closed the Pacific Coast Highway. In addition to the problems for Samohi students, all elementary and junior high schools in Malibu were closed. The fire blackened 25,000 acres and destroyed at least 130 homes. Fifty people were reported injured, including at least three seriously. Damage ran into the tens of millions of dollars. At least seven Samo students and one counselor lost their homes in the blaze.

The problems began right from the start.  
 Each staff member created his own part.  
 For some spent hours, weeks, and months,  
 gathering materials in the great hunt.  
 They hunted for something no one achieved,  
 The greatest book ever conceived.  
 And thanks to Carol who helped us through,  
 we couldn't have done it without you.  
 Another year has just gone by.  
 And for the Seniors goodbye Samohi.  
 The Juniors and Sophomores must now create.  
 What is lost by the Senior departing fate.

# The End

Miss Rollins,  
you are a very nice lady and I  
am super glad that I got a chance  
to meet you through Denise. I loved being  
a J.A. for you and I hope that I will  
get to be one next year. Thanks so much  
for all of your support this year, especially  
when I "bumped" into that parked car  
when I put ink on the wood table. I  
don't think that I could've made it  
through this year without your help.  
You also showed me what it is like to  
be truly generous and kind. I admire  
your generosity a lot. It ~~inspires~~ inspires me  
to be a more generous person, which is  
what we all should be. Denise and I  
(good english?) will definitely come to visit  
you during the summer. I hope that  
you get plenty of rest and relaxation during  
this summer and enjoy it to its fullest.

Thanks so much for  
everything, I love you a lot

Laura Ledwell
